

One thousand eat, drink and be merry

STOUFFVILLE - It was a night to eat, drink and be merry. And Stouffville revellers combined all three into one.

The Bavarian Festival, sponsored by the volunteer fireman, with the help of the Legion, transformed the ice arena into a rollicking polka palace for an estimated 1,000 patrons.

It was the first event of its kind ever held in Stouffville and its success has been described as 'outstanding'.

While there was sufficient beer available to wash down Main Street, the customers' appetites far exceeded their thirst. As one 18 year old girl put it - "It's not the beer - you can buy that anytime. It's the fun. When do we have another?"

Her sentiments were echoed by hundreds.

Two officers of the York Region force were in evidence throughout the evening, but there was no trouble. "It's not like a hotel," said one constable, "everyone's having a good time. It's a party."

Gunter Bartol and his group contributed to the party atmosphere with a lively selection of songs, both Bavarian and North American. And the floor-stamping tune of "Roll out the Barrel" only proved that life begins at 40, 50 and even 60.

"I don't know why they didn't do this years ago," said one elderly gentleman, completing a cyclonic swirl, "nothing wrong with a little beer and music."

For those seeking more of the same, Markham's second festival of the season is planned for Saturday, Sept. 18, both afternoon and evening.

An estimated 1,000 persons attended the Saturday night. Each patron received a stein as a gift to take home. —Mark Niblett.

Wife of former township reeve

By Lee Wong BALLANTRAE

Mrs. Clifford Wallwork, a lifelong resident of this area, passed away August 28 at Cooper's Nursing Home, Mt. Albert, after a lengthy illness.

Mrs. Wallwork, the former Anne Mildred Woodcock, of Vivian was in her 77th year. The Service was conducted by Rev. G.R. Inglis, Aug. 28, at Lewis Funeral Home, Mt. Albert, with interment Mt. Albert Cemetery.

Mrs. Wallwork is survived by her husband Clifford, a former township reeve and son John, both of Ballantrae, and several grandchildren.

Another son, Clifford Jr., is deceased.

Ballantrae has changed a great deal over the summer months, with the construction of a V.L.A. subdivision on the former Herb Simpson farm, and another six houses on the Van Dolder property. Many of the occupants have already moved in and we welcome these new residents to the community.

The Whitchurch Centennial Centre has received a face-lift as part of the municipal works program. The driveway posts have been repaired, exterior painting completed and six picnic tables built.

The Ho-Tai Judo Club has held its last Wednesday evening class for juniors. Sessions will revert back to the regular Saturday schedule beginning Sept. 11 at the Centre.

Ralph Smalley, Chris Dinel and Wayne Nesbitt represented the Ho-Tai Club at the International Judo Tournament, at the C.N.E. August 20. Ralph received an injury to his ribs and was removed to hospital. He was released after examination.

Brownie Leaders Pat Renshaw and Diane Robertson are attending Leaders' Camp at Boe Lake, Huntsville. Guide Leader Mrs. A. Hartwick has been vacationing in England and Scotland. The 1st Ballantrae

Accompanies 2,300 children to 'Ex'

By Lillian Jamieson B A L L A N T R A E

MT. ZION Mrs. Allen Carson along with personnel of Whitby, O. P. P., under Sgt. Baker and Constable Graham, accompanied 2,300 members of School Safety Patrols, to the C. N. E. The boys and girls came from across the Province.

Mrs. Jas. Mowat of Toronto spent several days with her nieces, Mrs. Burnett Jamieson and Mrs. Lewis Jones.

Several ladies from this community attended a shower, Aug. 26, for Miss Barclay Jane Grey of Ringwood, at the home of Mrs. Winton White.

A large moving van, loaded with furniture, overturned on the Pickering-Whitby townline at the 9th concession, last week. Fireman were called from Claremont and Brougham but no blaze resulted.

Mr. and Mrs. Jack Empringham attended the funeral service, Monday, for his uncle, Mr. Tom Empringham, Richmond Hill.

Mr. Ralph Jones is a patient in Port Perry Hospital.

Sunday School reconvenes, Sept. 5 at 10 a.m. A picnic will follow the worship at Wellsprings Park, Greenbank. The time is 1 p.m.

U. C. W. will meet Sept. 8 at the home of Mrs. Lloyd Wilson, with Mrs. Burnett Jamieson in charge of the program.

Build new home

By Jean Leaf BUTTONVILLE

Murray and Sandra Carson, formerly of Claremont and now of Manchester, are building a new home in Claremont. Sandra is well known in the Buttonville community.

Mr. and Mrs. Russell Burr and Mrs. Burr's sister, Mrs. Beatrice Taft of Belleville spent their vacation in British Columbia and Oregon, visiting their brother Stewart Mason and family.

Hank and Gladys Coleman have returned from their vacation. Keith and Bev Carson and children will return this week.

On Aug. 27, Cheryl Carson celebrated her 4th birthday and on Sunday, her brother David was two.

Mrs. Margaret Tooley and Katherine spent several weeks in Nova Scotia.

New residents at 595 Elm Road in The Ponderosa, are Mr. and Mrs. R.G. Powis, formerly of Montreal. Mr. and Mrs. Powis have three boys, ages 11, 9 and 7 and one girl, age 5.

Announcement

Peter Walley is pleased to announce the appointment of Gordon Hardie, a well known resident of the Stouffville-Markham area, Gordon has had a No. of years in the insurance field, as sales representative for Peter Walley Ltd. Real Estate Broker, Box 11, Hwy. # 47, Stouffville. He would be pleased to assist you in your Real Estate inquiries. Please Call: Business, 294-1158, Res. 640-1956.

Township of Uxbridge NOTICE

NOTICE OF APPLICATION to The Corporation of the Township of Uxbridge for approval of a by-law to regulate land use passed pursuant to Section 30 of The Planning Act.

TAKE NOTICE that the Council of the Corporation of the Township of Uxbridge intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 30 of The Planning Act for approval of By-laws 1585 and 1589 passed on the 22nd and 29th days of March, 1971 respectively. A note giving an explanation of the purpose and effect of the By-laws and stating the lands affected thereby is furnished herewith, as Appendix 'A'.

ANY PERSON INTERESTED MAY, within fourteen (14) days after the date of this notice, send by registered mail or deliver to the clerk of the Township of Uxbridge notice of his objection to approval of the said By-laws, together with a statement of the grounds of such objection.

ANY PERSON wishing to support the application for approval of the By-laws may within fourteen (14) days after the date of this notice send by registered mail or deliver to the clerk of the Township of Uxbridge notice of his support of approval of the said By-laws together with a request for notice of any hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said By-laws but before doing so it may appoint a time and place when any objection to the By-laws will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned, the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS will be Sept. 16, 1971.

DATED at the Township of Uxbridge this 2nd day of Sept., 1971.

D. S. Kennedy,
Clerk of the Township of Uxbridge,
Municipal Office,
Goodwood, Ontario.

APPENDIX 'A' NOTICE

By-law 1517 of the Corporation of the Township of Uxbridge ("Township"), being the Restricted Area or Zoning By-law affecting all the lands and landowners in the Township was enacted in part to control sand and gravel operations within the Township and the Ontario Municipal Board ("Board") recognized this in granting its approval thereto. However, in its decision approving By-law 1517 in the main, the Board made certain recommendations concerning portions of the By-law relating to sand and gravel operations and granted only temporary approval thereto, which was extended by further order of the Board.

As a result of the above and based on further information supplied to the Township, By-laws 1585 and 1589 were enacted.

By-law 1585

By-law 1585 expands the definition of "HOME OCCUPATION" for residential uses to include any occupation conducted within a house by members of the family residing therein pursuant to which arts and crafts are produced on the premises and provided to the main residential use. By-law 1497 which formerly dealt with zoning in the Township is repealed. Lastly, By-law 1585 for the first time allows as a permitted use, the operation of a sawmill in the General Agricultural Zone.

By-law 1589

The changes that By-law 1589 make in relation to By-law 1517 are more extensive. Where previously By-law 1517 defined "GRAVEL PIT" to include any excavation made for the purpose of searching for or removing soil, sand or gravel from land for

commercial purposes, By-law 1589 deletes the reference to searching for such deposits in that definition. Furthermore, the definition of "USE" in By-law 1517 includes the purpose for which a lot, structure or building, or any combination thereof, is intended, but By-law 1589 deletes this so that the meaning thereof only relates to actual design, arrangement, occupation or maintenance thereof.

By-law 1517 establishes certain set-back restrictions from the front yard, rear yard and side yard limits of property within which distances sand and gravel operations are prohibited. Now, the new By-law alters the definition of these limits so as to include the space from those limits to excavations where formerly the set-back restrictions only applied to buildings and structures.

Whereas the zone boundaries of land in Quarry Industrial Zones (the only zone within which sand and gravel operations are now permitted) coincide with the outline of the pit or quarry workings pursuant to By-law 1517, By-law 1589 deletes this so that the boundary of land in this and related zones is determined according to Key Maps which are attached as Schedule "A" to the By-law.

In attempting to more exactly locate sand and gravel operations and separate same from land presently used for agricultural purposes, or land intended to be used for sand and gravel operations on which no such activity has taken place, three new zones have been created which are described as Sand and Gravel Agricultural Zone, Aggregate Processing Zone and Quarry Holding Zone. The creation of these three zones required that the said Key Maps 1, 2 and 3 (forming Schedule "A") to By-law 1517 be amended on updated information supplied to the Township to indicate what land is located in which zone and the new Key Maps are attached as amended and revised as Schedule "A" to By-law 1589 as aforesaid.

The only difference between the new Sand and Gravel Agricultural Zone and the other Agricultural Zones previously established under By-law 1517 is that although a detached single-family dwelling house on a home occupation in a permitted dwelling house are existing permitted residential uses, the new Agricultural Zone only allows as a residential use a detached single-family dwelling house if occupied by a caretaker, watchman or other similar person, employed full-time on the lot on which such dwelling house is located. In regard to non-residential uses, By-law 1589 only permits a farm, a golf course or driving range, a private park, a public use or a seasonal fruit, flower or farm product sales outlet, or the complete list of existing non-residential uses permitted in agricultural zones, reference should be made to By-law 1517 which is available at the Clerk's Office as hereinafter set out.

Since By-law 1589 established a new Aggregate Processing Zone, it was necessary to remove those provisions contained in the Quarry Industrial Zone established under By-law 1517 dealing with aggregate storage areas, concrete batching plants, and crushing plants and then insert these permitted uses into the new Aggregate Processing Zone. By-law 1589 also removes the option of planting grass pursuant to the screen planting requirements and replaces it with the option of planting a seeded berm.

As established by the new Aggregate Processing Zone, there are no residential uses permitted and the non-residential uses allow aggregate operations together with gravel pits. The rest of the provisions are the same as for the Quarry Industrial Zone established under By-law 1517 except that the restrictions on locations of aggregate processing plant and equipment previously contained in By-law 1517 have been removed therefrom and incorporated into the new Aggregate Processing Zone by By-law 1589.

By-law 1589 also creates a Quarry Holding Zone in which the residential uses permitted are the same as the Sand and Gravel Agricultural Zone but the non-residential uses are limited to a farm or a public use as set out in the By-law 1517. It is the intention of the Township that land intended to be used for aggregate processing be zoned within the Quarry Holding Zone so that more effective municipal planning can be given to the sand and gravel industry.

As a result of By-law 1589, gravel pits are permitted in the Quarry Industrial Zone and the Aggregate Processing Zone whereas By-law 1517 merely permits same. In the latter and aggregate processing operations are no longer authorized in the former zone but are permissible only in the Aggregate Processing Zone.

As a result of By-law 1589, where land is allowed to be used for no purpose other than the planting of grass, shrubs, seeded berms, trees or similar uses, no pit or quarry shall be established or made in those areas.

Copies of all of the relevant By-laws and the Key Maps may be obtained from the Office of the Clerk of the Township in Goodwood, Ontario, and regard should be had thereto in order to determine the exact zoning of all land within the Township.
