Fate of steer divides family

STOUFFVILLE — What do you do with a live steer?
 "Well, we thought of house-training it", said Gordon Ness, "be great for the kids".
 Mr. Ness, an attorney with the firm of Button & Armstrong, was the winner of a live steer supplied by the Kinsmen at the Stouffville Trade Fair. He decided against making a house pet of the beast.
 "We're also resisting a lot of suggestions that we have a monstrous barbecue", he said.
 The final decision was that the steer will be slaughtered. Cutting and wrapping were included as part of the prize. Mr. Ness' father, who is presently taking care of the animal, has agreed to buy half. Mr. Ness has now arranged for a freezer, and his family will consume the other half.
 The disposition was not made without some feeling.
 "I've hardly met the thing", said Mr. Ness. "Everyone tells me he's a likeable chap".
 The Ness children had named their prize 'Fat Albert'. They were considerably upset at the prospect of Fat Albert's demise, but their father expects them to recover.

Rotary Beer Festival

MARKHAM — Markham's first Bavarian Beer Festival in June was such a success, the sponsoring Rotary Club is going to have another.
 It's this Saturday, Sept. 18, both afternoon and evening in the Markham Arena. The time is 3 to 6 p.m., and 8 p.m. to 10 a.m.
 The festival will feature the famous Andy Blumauer and his Bavarian Band. A free beer mug will be given away with each admission. German food is available.

First issue

Thos. N. Shea Ltd., has completed the printing of its first monthly publication 'Real Estate and Mortgage News'. It is designed specifically for the suburban market, encompassing the entire Region of York. "Our aim is to provide the business community with an informed approach on the latest real estate and mortgage news", said Bill Jackson, Mortgage Manager. Copies are available free of charge at the Markham Office.

It was Trade Fair time in Stouffville, Sept. 9-11, and while the climate inside the Arena was not conducive to buying snowmobiles, the Skiroule booth boasted an added attraction. Sixteen year old Bonnie VanDyke brightened the display considerably. She's part of the famous VanDyke snowmobile family, winners of many awards in district meets.

Fair attendance drops from '70

STOUFFVILLE — There was a definite drop in attendance at Stouffville's Legion-sponsored Trade Fair, Thursday through Saturday.
 "What happened? Many reasons have been suggested.
 "Too few program attractions — nothing to bring the people back," said one.
 "Too many snowmobiles — not enough variety," said another.
 "People just aren't buying today," suggested still another.
 "Whatever the problem, the crowd, particularly on Saturday, was slim compared to former years.
 "And yet some booth operators were more than pleased with the response. Like the Stouffville Lions. They sold over 100 dozen cobs of corn.
 "At five cents a cob, no wonder."

Warm winter ahead

STOUFFVILLE — of a warm winter ahead. The forecast came Saturday evening when she won a year's supply of fuel oil in a lucky draw conducted by Hygrade Fuels at the Stouffville Trade Fair.

TV licence application

UXBRIDGE — An application before the Canadian Radio-Television Commission next week will seek permission to build a TV transmitter near Uxbridge.
 Global Communications Ltd. is making the request for a UHF transmitter which will put out over two million watts of video power. This will be one of the strongest transmitters in Canada if it is approved. The directional antenna would stand 558 feet high.
 The same company is applying for licences to broadcast in six other Ontario communities.

Announce New Healing Substance: Shrinks Piles
 Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.
 A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.
 In case after case, while gently relieving pain, actual reduction (shrinkage) took place.
 Most important of all — results were so thorough that this improvement was maintained over a period of many months.
 This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.
 Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.
