**President of Recreation Association**

By Rosemary Timms  
CLAREMONT - Mrs. Norrine Hill is the 1972 president of the Claremont Area Recreation Association. She was elected at the annual meeting, Nov. 10, succeeding George Woolhead. The executive also includes Roger Boyle, vice-president; Jack Dunstall, 2nd vice-president; Sandra Redshaw, secretary; Helen Tower, treasurer; and Dave MacDonald, program director. The next meeting is Dec. 8 in the Hall. An application by the Rovers to operate a Teen Drop-In Centre has been approved. They will utilize the Hall on weekends when no other programs are scheduled. Now, with the Youth Club and the Rovers, it is hoped local young people will find many activities to keep them occupied. The United Church is holding a special Recognition Service, Sunday, at 11:15 a.m. in honor of the Good Fellowship Class which, at this time, is drawing its work to a close. Past members are invited to attend. Jack Hill has returned from a 10-day deer hunt in the Minden area. While he was away, Mrs. Hill stayed with her daughter June in Scarborough. Mrs. Jim Taylor is a patient in Uxbridge Hospital and Mr. Russell Hamilton is in Scarborough Centenary. Both are wished a speedy recovery. A recent Bible Society canvass collected \$225. An estimated 90 persons attended the dance, Saturday, organized by the Group Committee of the Cubs and Scouts. The winner of the 50-50 Draw was Tom Gledhill of Don Mills. The committee chairman, Jack Anderson, is appreciative of the support. On Sunday, Rev. and Mrs. Linstead, Mr. and Mrs. Earl Cook, Mr. and Mrs. Dick Ward, Mr. and Mrs. Roy Timms and Mr. and Mrs. Bill Evans, attended the Faith Festival at O'Neill Collegiate, Oshawa. **THANK YOU**

Mere words seem so inadequate but are none the less sincere in saying "thank you" to the tremendous response of the community helping in so many ways during the recent tragedy of "Stouffville's Great Fire".

First of all I give thanks to God that there was no loss of life and no serious injury — truly a miracle.

I commend Paul Florence and his mother for their calm and daring in making sure that all of the tenants were out of the building.

To fire chief Walter Smith and all of the members of our local fire brigade and neighboring brigades whose immediate response to the call and devotion to their task was nothing short of fantastic. They worked long sleepless hours. The same can be said for our town maintenance and hydro personnel, as well as members of our police department.

To mayor Ken Laushway who worked unceasingly — the ladies of the Legion Auxiliary who responded so quickly — the committee so quickly set in motion to assist the people involved in the loss — the many more who helped — my sincere and heartfelt thanks. It makes one proud to be a citizen of such a heart-warming community.

**Town mayor says 'thanks'**

As Mayor of the Town of Whitchurch-Stouffville, I wish to express Council's appreciation and thanks to all those who contributed so much during, and following the disastrous fire that destroyed a number of our municipality's business premises, including eight dwelling apartments, leaving thirteen of our citizens homeless. Our Fire Chief, Walter Smith, and the men of his Brigade, along with the men of the fire departments from our neighboring communities, are to be commended for their work. We thank the Works' Department and Public Utility employees, the York Regional Police, the women of the Ladies Auxiliary, the I.G.A. Foodliner, and all those who graciously offered a accommodation. I want to express our thanks to the members of the Special Fire Fund Committee who were requested to serve on such short notice. We are grateful that no death or serious accident occurred but the tragic fire did leave our community with friends in need. Various fund raising programs are being sponsored and I trust they will receive your fullest support.

Ken Laushway, Mayor.

**Firemen 'wonderful'**

STOUFFVILLE - "The firemen did a wonderful job". This statement came from a person who should know - Mrs. Jean Reesor had an apartment in the Ratcliff Block. Like some of the other tenants, Mrs. Reesor was in bed when the alarm sounded. Someone, she said, hammered on her door and told her to get out fast. And, like all her neighbors, she saved only the clothes she was wearing. As Mrs. Reesor was leaving, smoke was seeping into her apartment.
