Burning Rectal Itch Relieved In Minutes

Exclusive Healing Substance Relieves Pain As It Cures Hemorrhoids.

If you want satisfactory relief from "itching piles" — here's good news. A renowned research laboratory has found a unique healing substance that promptly relieves the burning itch and pain — actually shrinks hemorrhoids. This substance has been shown to produce a most effective rate of healing. Its germ-killing properties also help prevent infection.

In case after case "very striking improvement" was noted even among cases of long standing. And this improvement was maintained over a period of months!

This was accomplished by a new healing substance (Bio-Dyne) — which quickly helps heal injured cells and stimulate growth of new tissue. Now Bio-Dyne is offered in ointment and suppository form called Preparation "H". Ask for it at all drug stores — satisfaction or money refunded.
