Sixty-voice choir for carol service

PICKERING — A 60-voice choir, representing denominations throughout the Township and village of Pickering, will highlight a Festival of Christmas Carols in the auditorium of Pickering Dist. High School, Sunday, Dec. 5 at 7:30 p.m.

The service has been arranged by the Pickering Ministerial Association, embracing all area clergymen with the co-operation of organists and choir directors.

In addition to the mass choir, several choral groups will also take part.

The offering will go to the Canadian Bible Society for the translation, printing and distribution of the Scriptures across Canada and overseas.

This marks the first event of its kind since centennial celebrations.

At 11 a.m., Dec. 5, a Youth Service will be conducted in St. Andrew's Presbyterian Church, Pickering. The 'Kingsingers', a teen group from Dunbarton, will sing. The message will be brought by Marilyn Minaker, a member of the Canadian Olympic Team.

Long weekend
STOUFFVILLE — Boxing Day will be Dec. 27 this year, which will allow a four-day weekend for many.

The date was decided at Council's Nov. 23 meeting. As Boxing Day is not recognized federally or provincially, it must be proclaimed by the Mayor.

At the same time, it was decided to allow Town employees holidays on Dec. 24 and 31, since both Christmas and New Year's fall on a Saturday.

See Them Now At Card's

For a clean shave, every time.

Right down to the pavement with the pivoting scraper blade.

When you plunk down good money for a snow thrower, you don't want to follow it around with a shovel. That's why Toro developed the pivoting scraper blade that has made our two-stage units so popular. Only Toro has it.

You can choose from three models, with 5, 7 or 8 horses. All have the exclusive drum-type auger for better performance, especially in heavy wet snow. All offer easy steering with special clutches or wheel lock-outs. All have friction disc transmissions — three speeds forward, with reverse spring-loaded to neutral.

The 5 and 7 horse units are 26 inches wide; the 8 takes a 32 inch cut. Controls are between the handles for safety and convenience.
