## Top county plowmen honored at combined branch banquet

VIC. SQUARE York's first plowmen's banquet, encompassing the three branches of King and Vaughan, East York and North York, has been termed the 'success event' of the country calendar year. The gathering, held Friday, in the Victoria Square Community Hall, attracted not only the top prize-winners in local match competitions, but others too, whose relationship to the tractor and plow is, in some cases a hobby, and in others, a profession.

Five seasonal flower shows were held with the meetings, with the exception of the annual display in the Masonic Hall, that attracted 435 exhibits and 33 exhibitors. Special prizes went to Mrs. Cliff Burkholder, most points in the senior section; Blair Houser, most points in the junior section; Mrs. Douglas Drewery (now deceased), most points for a new exhibitor; Mrs. Mary Harris, best exhibit in the cultural class and Mrs. M. When John Timbers (left) of Sunderland, received his cash prize at the tri-branch plowmen's banquet in Victoria Square, Friday, it was fitting that the presentation should be made by another professional in the same field, Clark Young of Unionville. —Jas. Thomas.
