FAMOUS Raichle from Switzerland

There's no mistaking it. Put on a pair of Fiberjets by Raichle and you'll feel it on your very first run. A heightened sense of knee-to-ski control and split-second responsiveness that'll have you skiing better than you ever imagined. Fiberjet's unique fibreglass construction affords complete lateral stability that enables you to maneuver your skis with the least possible effort. Full, high backs offer exceptional support to help you control your body attitude and effortlessly maintain the new "lean-back" position for fast, easy jet turns.

Nordica Astrals fit like feet.

Nordica Foam, Nordica Norfit. Choose one of these two great customizing systems for your Nordica Astrals and you'll end up with a pair of boots that fit, feel and ski better than you've ever thought boots could. Comfortable boots. Warm boots. Responsive boots. Great looking, great performing boots. Boots with trim, slim profile, injection-molded polyurethane shells, anatomically shaped interiors, cushioned tugs, canted soles, soles that fit all bindings, and the many other outstanding features that make the Nordica Astrals the world's most wanted boots today.

NORDICA ASTRALS ARE NOW USED BY MANY NATIONAL TEAM SKIERS

SKI the NEW ROSSIGNOLS!

ALL NEW FOR **72**

ROSSIGNOL RS - a revolutionary new racing machine from Strato - featuring hollow core construction - fibreglass and metal.
STRATO 102 - the medal winner - the same quick responsive ski as used by Olympic winners - all new top design - same great ski underneath.
STRATO AR - same principle as the competition model but tuned to the recreational skier - new aluminum top edges.
ROSSIGNOL CONCORDE - an excellent intermediate ski, moderately priced - built in the Rossignol tradition.
STRATO JR - the top jr. racing ski - at a new low price. Priced from \$95 - \$225
