

Show us the smoke. We'll show you the flame.

Got an Uncle George whose lighter snaps-sparkles-and-flops at the sight of his quality Coronas?
Or a husband Harry who uses book matches on his briar? Or a cousin Zina whose coffee table is looking a little bare?

We can help you help them.
Ronson lighters come in all styles and shapes. For all types of smokers and smokes.
What's more, all Ronson Varaflame lighters are fuelled by butane. Which means there's no unpleasant taste. No odor. And lots of lights, adjustable for cigars, pipes or cigarettes.

So no matter who is puffing what, we have the flame to fit the smoke.

RONSON

The Varaflame Premier 570. New "snufferless" styling. Satin and bright chrome finish, \$15.95. Other Ronson Varaflame lighters from \$6.95.
