

Increased speed limit required to legalize bus 'flashers'

Where posted speed limits are under 40, school bus drivers are not permitted by law, to stop traffic through the operation of vehicle 'flashers'. In the Bethesda area of Whitechurch-Stouffville, (above), and

other similar locations, this problem may be overcome if Town Council agrees to a speed increase up to 40 m.p.h. Mrs. Wm. McGregor, R.R. 1, Gormley, has been waging a persistent campaign on this issue.
