A mailbox with a message

A unique mailbox has been erected on the roadside near Altona Feed and Supplies. It is made from the front of a Ford tractor, with Bert Lewis, Fred's father, doing the work. The box serves two purposes - a convenience to the country mail carrier and an excellent advertisement for the Lewis Ford dealership.

after spending the holiday with her parents, Mr. and Mrs. Harold Doner. Miss Ferne Doner

has resumed her studies at the Canadian Bible College, Regina.

Rent rebates

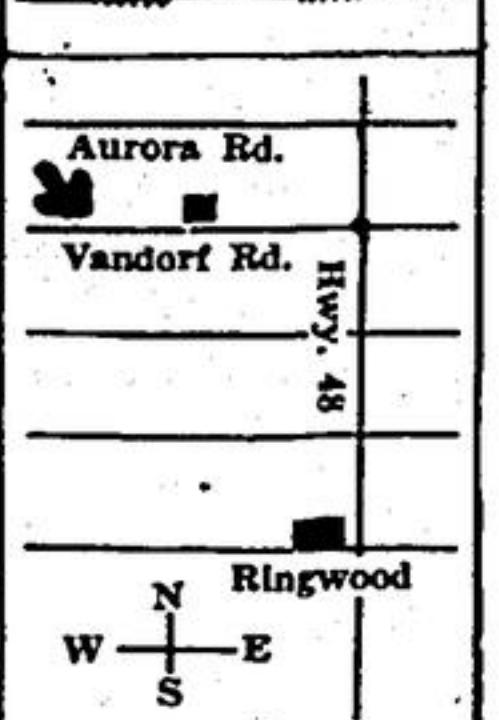

STOUFFVILLE - Local residents by now should have received their 1971 rent rebates.

Rebates to homeowners are given in the form of an adjustment of their tax bills, while those renting "separately assessed residential property" receive cheques from their landlords.

Municipal Affairs Minister Dalton Bales recently announced that total rebates in the province will reach \$150 million this year, up \$8 million over 1970.
