Heaviest of '71 ?

Whitchurch-Stouffville is still awaiting the arrival of its first baby of 1972. And there were none born on Christmas Day. But Bradley Scott May was one of the biggest babies born in town, tipping the scales at 10 lbs., 6 oz. He is the son of Mr. and Mrs. Ken May, Baker Avenue. His father is a noted fastball pitcher, but he's certain Bradley Scott is destined for a career in football. —Jas. Thomas.

Town to celebrate centennial

MARKHAM - This town is gearing itself for its 100th birthday celebrations during

Institute meets

Mrs. Jas. McCreight, Stouffville, will host a meeting of the Altona Women's Institute, Jan. 12 at 2 p.m. The roll call will be answered by 'My worst cooking failures'.

Mr. and Mrs. James Harper and family, Altona, visited on New Year's Day with Mr. and Mrs. Bert Harper, Toronto.

The municipality was first incorporated as a village in 1872, and the first council met in January 1873. It had, until then, been administered by the Township.

The 1972 celebrations, while not yet detailed, will probably be wide-ranging. A committee has been established, members being: Councillor Bud Bonner; Joe Assinck; Ron McVey; Rosemary Outred; June MacDonald; Eugenia Cork; Chuck Hoover and Cal Cowan.

According to Mr. Bonner, the committee is concentrating principally upon the last week in June. "We hope to have something going every night of that week if we possibly can", he said.

Climax of the celebrations will be a parade July 1. Chuck Hoover will be in charge of organizing this. The committee is producing a centennial calendar, which will be issued quarterly.
