Dear Jim,
Minor Hockey Week is over in Stouffville for another year. As in past years it enjoyed the support of the residents, the merchants, the local council and The Tribune. In many respects it was the most successful Week run by the Association. All of us connected with the Minor Hockey program in Stouffville wish to thank those people who supported our activities. It is a support that is deeply appreciated by the Executive, members and players for it helps to keep our leagues functioning.
