GREENWOOD - A 4-H course, 'Sportswear for Knits', begins Feb. 5 at 9.30 a.m., in the Christian Education Centre, Greenwood United Church. Girls, 12 years old by March 1, are invited. The leaders are - Mrs. Ken McTaggart, Mrs. Grant Pascoe, Mrs. Hugh Crawford and Mrs. Alfred Pegg.

Twelve couples attended a progressive euchre party at the home of Mr. and Mrs. Ed Pascoe, Friday evening.

Mrs. Thos. Frew has returned from a month's visit with her daughter and family in Cape Elizabeth.

Mr. and Mrs. W.A. Brown and Mr. and Mrs. Milton Pegg, enjoyed dinner with Mrs. Charles McTaggart and Brian, Sunday.

community is extended to Mrs. Henry Porter in the passing of her husband, Jan. 27.

Don and Dorothy Reesor were hosts at a shower, Friday evening, in honor of Gordon Brown and his fiancée, Miss Barbara Saunders of Milliken.

Linda, 19, is a 1st year student at York University. She lives on Harrison Drive, Newmarket. Colin, 18, is a Grade 13 student at Newmarket High.

Right now, the Saturday classes are at capacity. With any more, instruction on an individual basis would be impossible, Linda explains. The beginners comprise the largest single age group, but the majority return following graduation to a higher level.

Right now, an Adult Class is being organized for Wednesday evenings from 9 to 10. Public swimming is Tuesday and Friday nights and Sunday afternoons.

To have the Adult Classes operate smoothly, a committee is required. To date, only one person has consented to assist, but many more are needed.

Linda admits she loves the work. She also enjoys the remuneration it brings. "It costs money to attend University", she says, "every little bit helps".

Once again we have eliminated the Stock Class Results C, D & E. where Polaris is NOT ALLOWED to compete, due to the BANNING of our FREE AIR DESIGN. Just to prove how well our two stock models, Colt 250 - 295, that are allowed to run fared at the CNE this past weekend, Polaris captured 20 out of 36 trophies in A & B Stock. Just imagine what we could have accomplished had our FREE AIR been allowed to run.
