Mrs. Feasby, the daughter of William and Priscilla Sollitt, is also a native of Uxbridge, but attended the Black River Public School in the Twp. of Scott.

# Snowmobile operators Rescue passengers

By Barbara St. John

GOODWOOD - There are dozens of stories to be told following the weekend storm. One of these is closely related to Goodwood. On Sunday afternoon, Bill Littlejohn and Gary St. John were out of their snowmobiles when they spotted a car, partially covered. They observed that the headlights were still on, and decided to turn them off. On looking inside the auto, they found six half-frozen people, huddled together in the front and back seats. They had been stranded there all night and able to keep warm as long as the motor kept running. However, the car ran out of gas and

the temperature soon dropped. Bill and Gary transported them to the Paisley family home, just off Hwy. 47 where they 'thawed out' in the warmth of their kitchen. The motorist told how they had hoped to return to Toronto, Saturday evening, but the auto bogged down in deep drifts, east of Lincolnville.

There were 14 tables of players at the L.O.B.A. euchre, Friday. High winners were - Elva Symes and Chuck Lintner; Florence Wilson and Aylmer Hood.

Hughie Kidd was injured recently in a snowmobile accident.
