**Three hundred attend rally**

STOUFFVILLE - A capacity audience, estimated at close to 300, attended a Sunday service in the auditorium of Parkside Youth Centre.

The gathering, one of several meetings held in conjunction with "Vision Crusade", included a program geared mainly to the interests of young people, although persons of all ages and many denominations were present.

For Pastor David Barker of the Stouffville Memorial Christian Church, the turnout was a personal triumph. For he had witnessed similar successes elsewhere in Canada and England. He was confident such a service would be accepted in Stouffville.

The planning that went into the program was tremendous, but the results were rewarding.

"It stirred people to think," said Mr. Barker, "the response was very real."

In the attempt at personal contact, both door-to-door and on the street, the results were mixed - both encouraging and disappointing. The most difficult to reach were the older people, Mr. Barker said. However, he pointed out, the young people were very receptive.

The campaign, that began on Good Friday, concluded with a Rally at the Youth Centre, Monday.

**Sharon Tranmer**

**Student actress with talent**

By Mark Niblett  
 STOUFFVILLE - A good crowd was present, March 30, to see two productions by Theatre Arts students at Stouffville District Secondary School. The audience received the performances warmly.

The first production, Moliere's "Sganarelle", was an ambitious project. The style and dialogue of an 18th-Century dramatist are difficult even for experienced actors, but the young thespians managed to convey it quite well.

Geoff Aiken, in the title role, gave a well-rounded performance, although he, like the rest of the cast, was overshadowed by Sharon Tranmer. Miss Tranmer, playing Sganarelle's wife, was by far the most outstanding.

During intermissions, the school band gave vigorous renditions of several tunes. I must confess to a certain doubt about the necessity of a second intermission between the first and second acts of "Arsenic and Old Lace".

In this production, the students faced the problem of a familiar and popular work which has been done professionally many times.

The roles of Miss Abby and Miss Martha were played with convincing confidence by Cathy King and Judy Taylor. Miss King admittedly lost a bit of her aplomb when she sat down on a chair that wasn't there; then, who wouldn't?

The other roles were adequately portrayed. Dale Cloughton, playing Teddy Brewster, obviously felt his part and carried it through well.

**Married fifty years**

Mr. and Mrs. Joseph Stephenson, Gormley, R.R.2, welcomed more than 200 neighbors, friends and family relatives, Saturday, at a reception held in the Victoria Square Community Hall. The occasion was their Golden Wedding Anniversary. The honored couple received telegrams of congratulations from Prime Minister Pierre Trudeau, M.P.P., Donald Deacon, (York-Centre) and an engraved plaque from Premier William Davis. Mr. and Mrs. Stephenson have two sons, Donald and Lawrence of Everett, near Alliston and seven grandchildren. Prior to moving to a new home on Don Mills Road, they resided for 45 years on a farm at 18th Avenue and Leslie Street. Mr. Stephenson is a member of the Victoria Square Lions Club. They are both members of Victoria Square United Church.

Greg Turner made the perfect "heavy" in his portrayal of Jonathan Brewster. Rodney Dunn, as the last of the Brewsters, Mortimer, will be a highly competent actor once he stops playing to the audience, and builds up his stage presence.

All in all, the students provided a very enjoyable evening. I am looking forward to seeing some of these young actors in a future production.

**Forty-voice choir - Parkview service**

STOUFFVILLE - On Good Friday morning, Mrs. Swindells and Mr. Bert Hawtin attended the presentation of a program of Easter music by a 40-voice choir from Elim Christian Education Centre, Altona, Manitoba. Rev. Ed Cornelson, a faculty member accompanying the choir, spoke briefly.

The regular Thursday evening program, arranged by Mrs. Gladys Grove, included music and singing by Rev. and Mrs. Paul Martin of the Wideman Menonite Church.

Those celebrating were - Miss Nellie Bond, Mrs. Isabelle Slack, Miss Joyce Kenney, Miss Marjorie Haslitt, Mrs. Frances Hawtin, Mrs. Linda Brother, Mrs. Margaret Logan and Miss Norma Wade.

Tallman, Mrs. Swindells and Mr. Bert Hawtin attended the Emmanuel Bible College service at Stouffville District Secondary School, March 31.

**We're more than just a pretty face.**

There's more to a Volkswagen than meets the eye. Twice as much more if you're eyeing our warranty. A warranty twice as long as anyone else's. (Except Rolls-Royce.)

It's good for 24,000 miles or 2 years, whichever comes first. (Except for normal wear and tear on service items.)

So before whichever comes, we'll replace or repair any factory part that's defective in material or workmanship. (Providing you maintain it according to the Volkswagen maintenance schedule.)

And we'll do it for just a smile.

An advanced electronic service system. Only Volkswagen has VW-Diagnosis: sensitive electronic equipment that can tell our mechanic in 45 minutes exactly what, if anything, needs fixing.

The idea is to spot small trouble before it becomes big trouble. And save you money. (VW-Diagnosis starts saving you money right from the start, because your first four check-ups are free. As are any repairs that are covered by the warranty.)

And once the warranty runs out, we don't run out.

Because you can still get our exclusive VW-Diagnosis check-ups for your VW at a minimal charge.

All parts are where we can get at them: in our Parts Dept.

Our mechanics can take out an engine in 40 minutes flat.

So you can imagine how long it takes them to replace a PCV valve. And they won't have any trouble finding a PCV valve either.

Because most VW parts are right at hand. In our Parts Department.

And lots are interchangeable.

Even though every last one of them has been changed or improved in the past 20 years!

In fact, our 1972 rear side window works just fine on our 1970.

And our '65

Which means that a few years from now you won't have to scrounge around in a junk heap for a part. Or part with your car in a junk heap. Because Volkswagens are made to last. And last.

The last we heard, there were over 14,000,000 of them humming quietly along throughout the world.

1,104 professional nit-pickers. Naturally, not all those millions of VW's are '72s. Some of them are pushing 20. And that's partially due to our men in white. Our inspectors. All 1,104 of them. When they are not having their pictures taken, inspecting is all they do.

In fact, 1 out of every 10 of our employees is an inspector.

Who reports to 1 out of every 50 of our employees: A chief inspector.

An excellent resale value. Once we've sold you on a Beetle, you won't have much trouble selling it to someone else. You see, the Volkswagen has maintained one of the best resale values there is. New ones are just as much in demand as old ones. (Because it's very hard to tell them apart.)

So take an investment tip from Volkswagen. Buy low. Sell high. A used car guarantee. In writing.

You needn't consult a horoscope before buying a used VW from us.

Any Beetle with a blue sticker in the window comes with a 15-point inspection and a guarantee lots larger than a handshake.

It's in writing.

There's a Volkswagen dealer near you. Even if you aren't near home.

It's easy to find a Volkswagen dealer when you need one.

At last count, there were 268 blue and white VW signs in cities and towns right across Canada. (And there are more all the time.)

That's just part of our service.

And our service is part of our philosophy. To bring you the most car for the least money. Even if it doesn't look like much. But, as you can see, looks aren't everything.
