Feed for fast efficient growth through the first 6 months

From birth on... every heifer calf is a future milk producer. Every ounce of nutrition she consumes affects her future... and yours.

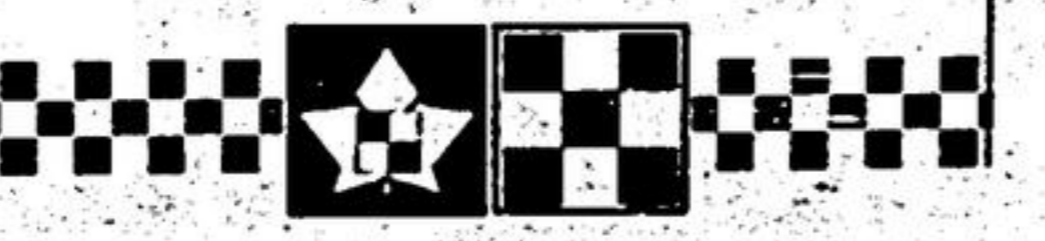

That's why it's so important that she gets the growth building nutrients she needs for fast, efficient growth.

The Purina Calf Starting program provides the right balance of proteins and energy... all the essential nutrients calves need... at every stage of growth.

You start calves on Nursing Chow®. This milk replacer mixes in moments... and stays in suspension. Then Purina's two highly palatable starting rations — Calf Startena® and Calf Growena® — take over to continue fast, low-cost gains.

Put your calves on the Purina Calf Starting Program today. Give us a call. Or stop in at the sign of the familiar red and white Checkerboard.

Plan Spring Festival

PICKERING TWP. - Plans are underway, with many persons involved, to make the 'Spring Festival', to take place in and around the proposed airport site, a weekend of great fun.

to their way of life. Sheep shearing demonstration and kite flying will attract both young and old. Art and craft shows, demonstrations and sales by the many recognized artists in the area will be of special interest. Further details will be published when the program is finalized. The sponsoring committee is the People or Planes organization.

On May 13 and 14, many activities both old and new will be going on in hamlets and on farms in the area. A map will be available both as a key and guide to places of interest.

Hamlet residents will open their doors and welcome visitors
