

It's called 'Macrame'

Macrame is not a common craft, but it's one of several that will be demonstrated when the Markham Guild holds a show and sale in the upper auditorium of the Roxy Theatre, April 24 from 1 to 4 and 7 to 10 p.m. An instructress in this

particular course is Mrs. Joan Wood, 20 Dexter Place, Markham. Other crafts include - rug-hooking, tapestry, weaving, spinning, pottery, ceramics, crocheting and silver-tray etching.

Protest ignored - Region 'forces' \$1,000 raise

YORK REGION - Regional Solicitor Edward Oakes, despite his protests, has been given a \$1,000 salary increase for 1972.

Mr. Oakes, who told Council he was willing to stay at his present

salary of \$25,000, discovered at a recent meeting that he is slated for the extra \$1,000.

Another increase, attacked by Newmarket Mayor Bob Forhan, was a jump from \$18,000 to

\$21,000 for Regional Treasurer John Hlynski. Mayor Forhan pointed out that Mr. Hlynski has been employed by the Region for less than a year.

While Chief Administrator Jack Rettle remains at the same level, \$32,500, all other department heads are proposed for increases.

Engineering Commissioner Denne Bosworth gets a \$3,000 raise, to \$24,000; the head of Health & Social Services, Dr. J. Owen Slingerland, receives an extra \$1,000, bringing him to \$30,500; Planning Commissioner Murray Pound, with \$24,000, has a raise of \$2,000 and Regional Clerk

Runways over cemeteries?

By Ruth Hutchings
GREEN RIVER - Cemeteries in the proposed airport site are said to be 'compatible' with the Plan. Does this mean that runways will bypass all burying grounds or will it be the same as

at Malton, with asphalt laid over top? It's worth a thought.

A complete recovery is wished for Mrs. A. White. Mr. and Mrs. D. McLean and family have arrived safely in British Columbia. Mrs. MacLean is the former Terry White, daughter of Mr. and Mrs. A. White.

Mrs. C. Postill assisted her daughter Karen, in moving to their new apartment in Stouffville, Saturday. The Ladies Aid will meet, April 19, at the home of Mrs. L. Roberts. The time is 8 p.m.

New plant to 'save' 45 jobs

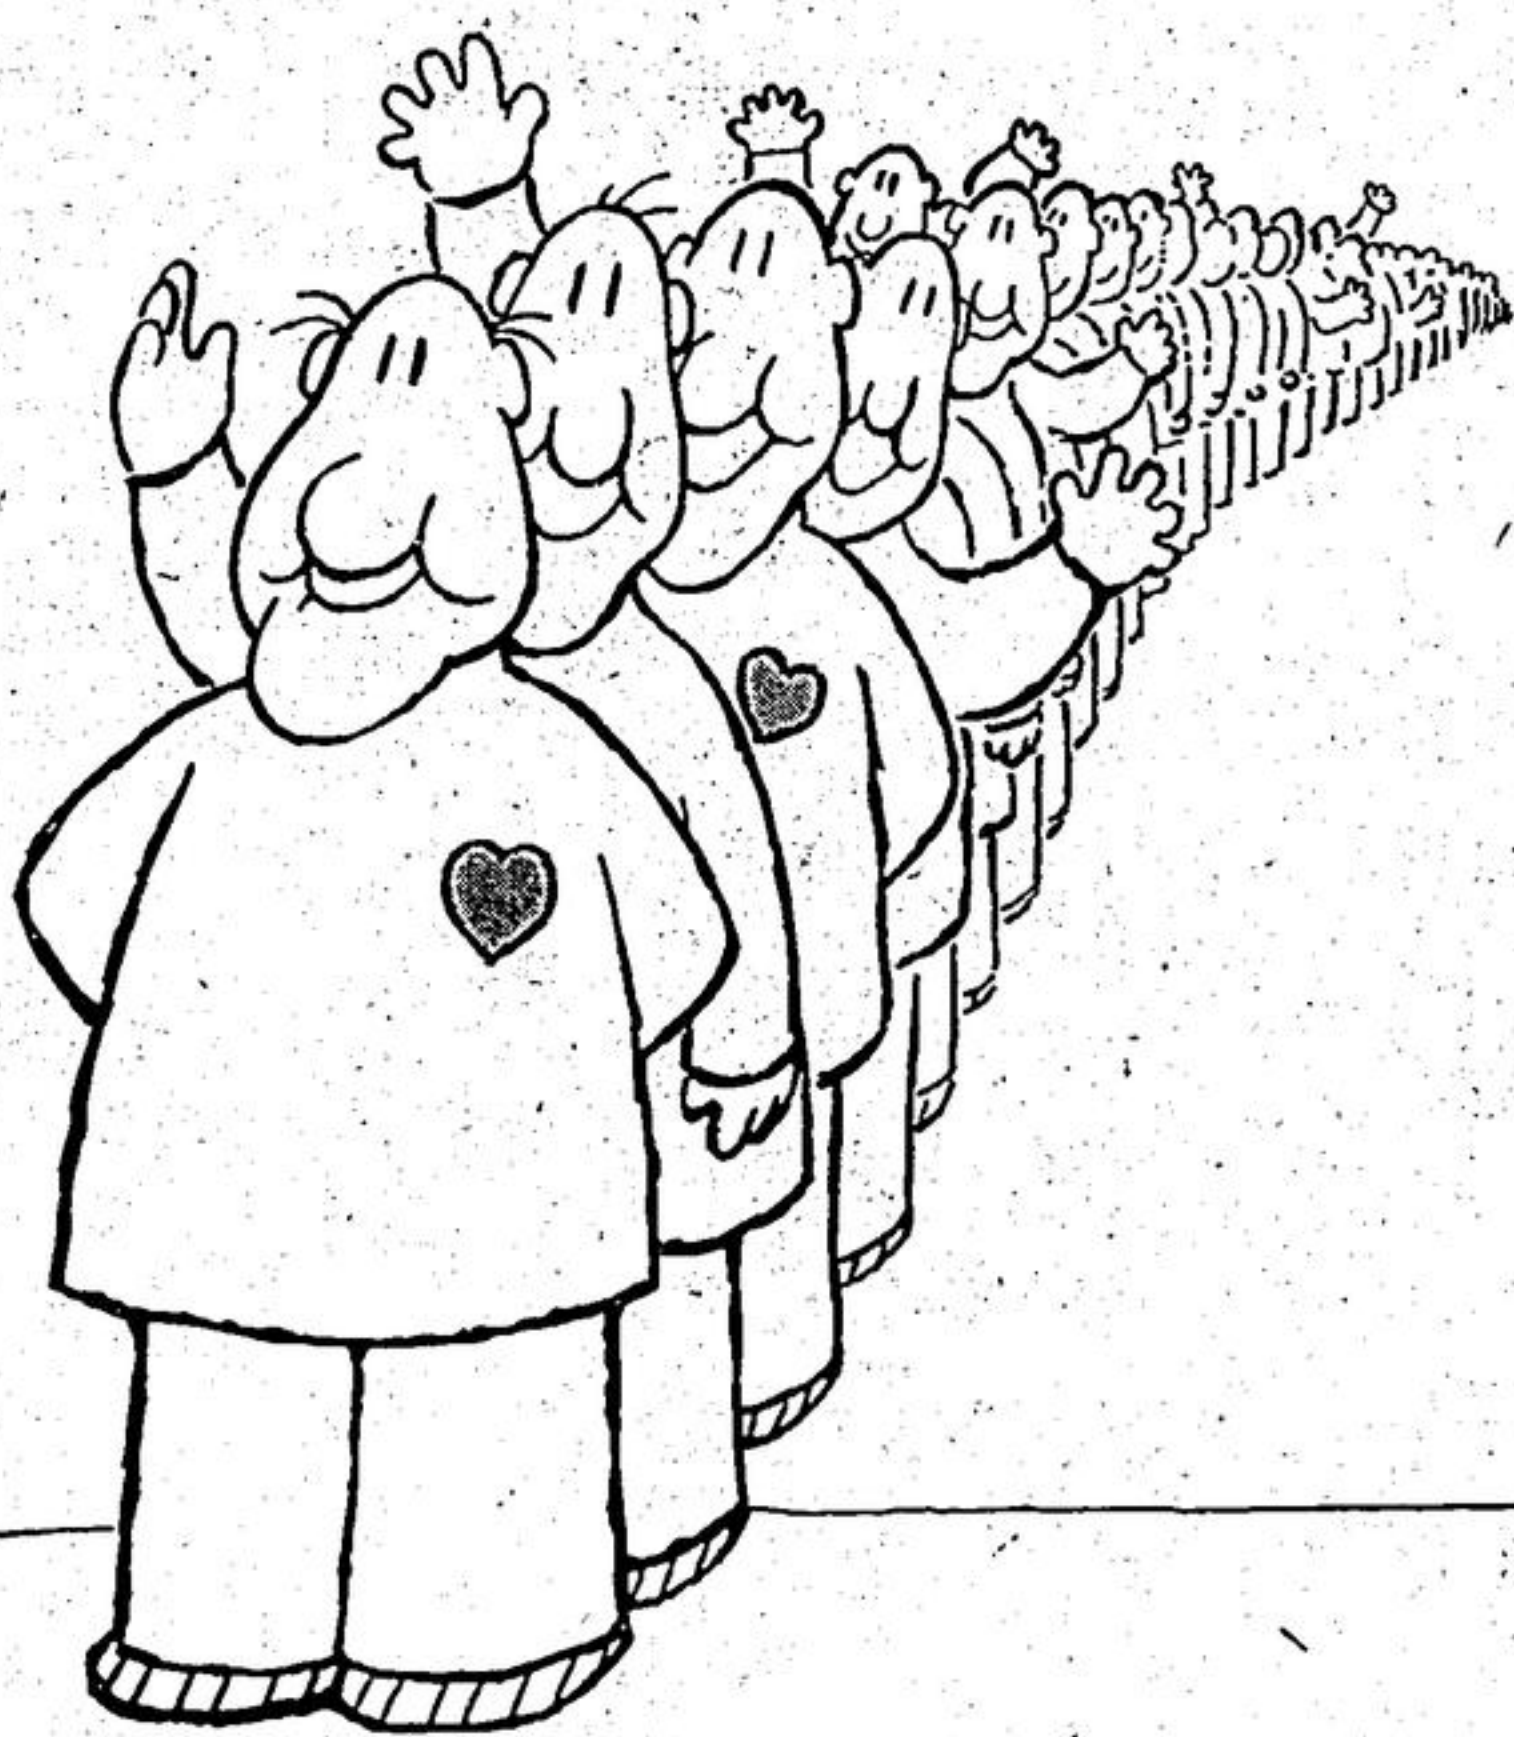

UXBRIDGE - Norm Cafik announced this week from Ottawa, that arrangements have been made between Noranda and the K.R. Coulter Company Limited, for this new firm to take over a portion of the Coulter Manufacturing Company. An offer was accepted in March with the purchase of equipment to take effect May 27 to allow this new firm, headed

by Ken Coulter of the original Coulter family, to take over the stamping and assembly operation of Comco. Mr. Cafik indicated that since the original announcement of the Coulter closedown was made in January, Ken Coulter and a group of senior employees have been negotiating with Comco to take over the stamping operation. These negotiations

have now been concluded and Mr. Cafik has indicated that it is expected that by October of this year, the new operation will employ approximately 45 people. The Uxbridge Plant, in Ontario Riding, presently employs about 225 people, and Mr. Cafik indicated this would be a tremendous help. It is anticipated that a new Plant will be

built in the Port Perry area, and will start in operation in the early part of June of this year, and the new firm of K.R. Coulter Company Limited should be in full production by October. Mr. Cafik said there was now little that the zinc dye-casting section of the operation could be saved. Tribune classifieds are your best market.
