4-H girls — models for a day

VIC. SQUARE - A fashion show is always received with interest and enthusiasm, particularly when the fashions are created by the models themselves.

So it was Saturday, as the 4-H Homemaking Clubs of York South held their spring Achievement Day in the Community Hall, Victoria Square.

A standing-room only audience attended the event. The theme for the occasion was 'Sportswear from Knits'.

Participants in the fashion parade from Stouffville I and Stouffville II included Karen Grove, Patty Davidson, Pat Harcourt, Betty Hoover, Janet Hoover, Norma Harcourt, Brenda Duncan, Marilyn Pearson, Maryanne Hulshof, Marjorie Keeler and Karen O'Connor.

Karen Grove and Marilyn Pearson were the commentators.

In the presentation of exhibits, Maryanne Hulshof was the commentator for Stouffville I on the subject 'Know your Knits'.

The program organizer is Mrs. Louise Gatenby, Home Economist, Newmarket.

Presentations were made to several girls, including a Provincial Honors Certificate to Norma Harcourt of Stouffville II.

Trout season - April 29

The trout season opens officially at one

minute past midnight, April 29. One of the favorite spots is the Uxbridge Town pond, where rod and reel artists line the banks into the early-morning hours.

P.O.P. to Ottawa

STOUFFVILLE Representatives of the

P.O.P. Committee (People or Planes), travelled to Ottawa, Wednesday, to meet with Hon. Donald Jamieson, federal Minister of Transport. Included in the

group was Dr. Charles Godfrey, the organization's chairman, along with Bob Lewis of Bloomington, Branch Chairman for Whitchurch - Stouffville.

Team captain - Club leader

Although Stouffville's Midgets had to be satisfied with the Consolation Award, after losing out to Caledonia in the Finals, it's been a rewarding season for club captain, Don Reesor. At a gathering, Saturday, he

was presented with the Erie Manufacturing Ltd. Trophy as 'The Most Valuable Player' to his team. The presentation was made by Mrs. Kay McNelly.

Favor mini-region

UXBRIDGE TWP. - Reeve Bob Nesbitt feels that regional government in Ontario County is a distinct possibility - and he doesn't like the idea.

At a meeting, April 17, Township Council discussed the advantages of co-operative discussions with Uxbridge Town and Scott Township. One such gathering was held April 19.

"We can be looking for regional government by 1974," predicted the Reeve. Councillor Frank Hendy wanted to know if the region would be oriented towards Oshawa, and Reeve Nesbitt said he thought it would be county-oriented.

"I'd like to know who's behind this, who's firing this up," said Councillor Clark Muirhead.

"Darcy McKeough," replied the Reeve. (Mr. McKeough, as Minister of Municipal Affairs, was instrumental in the formation of York Region.)

Councillor Darcy Higgins felt it was up to local councils to make the first move. He advocated a "mini region" of Uxbridge, Uxbridge Township, and Scott Township. "Otherwise the province will gobble us up," he stated.
