## Stores - apartments

**STOUFFVILLE** - Planning Committee has given tentative approval to the construction of three stores and six adjoining apartments on a vacant Main Street lot, east of the firehall. The property was purchased originally by Mrs. Mildred O'Neill and re-zoned to accommodate a funeral home. It has since been re-sold. Building Inspector, Marshall Miller, told the meeting, April 28, that plans as prepared by applicant, Mancinni Construction, met all

Town requirements. The Committee asked only that the exterior of the structure be of brick or brick veneer. Honor Finalists The achievements of two of Stouffville's minor hockey teams will be recognized by the Town. Council has agreed to purchase jackets for the Bantam and Midget players, Ontario Finalists. The boys will also be treated to a banquet, courtesy the Lions Club.
