Ticklish problem

York Regional Police encountered a touchy problem recently, when an excited lady phoned to say she and her family were being held

'captive' in their house by an unwanted 'intruder'. The investigating officer later identified the 'visitor' as a skunk that had taken up a rather permanent position near the front door. Rather than shoot the animal and worsen the situation, the people were advised to 'sit tight' and wait for the skunk to go away. It did.

Announce New Healing Substance: Shrinks Piles

Exclusive healing substance proven to shrink hemorrhoids and repair damaged tissue.
A renowned research institute has found a unique healing substance with the ability to shrink hemorrhoids painlessly. It relieves itching and discomfort in minutes and speeds up healing of the injured, inflamed tissue.
In case after case, while gently relieving pain, actual reduction (shrinkage) took place.
Most important of all - results were so thorough that this improvement was maintained over a period of many months.
This was accomplished with a new healing substance (Bio-Dyne) which quickly helps heal injured cells and stimulates growth of new tissue.
Now Bio-Dyne is offered in ointment and suppository form called Preparation H. Ask for it at all drug stores. Satisfaction or your money refunded.

Announcing
GUARANTY OPTION 5 CERTIFICATE
a new idea in investment certificates.

Interest rates go up each year for 5 years.
You can cash in a Guaranty Option 5 Certificate on any anniversary date.
Available in amounts from \$500.00.

Why we invented Guaranty Option 5 Certificate
Some of our customers were looking for something new in investment plans. They were looking for a plan that paid well and gave them solid security. They wanted to invest for a definite period at guaranteed rates, yet they wanted an option to cash in should their circumstances change.
So we invented the Guaranty Option 5 Certificate. We call it the GO-5 Certificate.

GO-5 is the answer
The GO-5 Certificate is a five year investment certificate with interest rates guaranteed for each of the years to maturity. However, if you find later that you need money for other purposes, you are free to cash in your GO-5 Certificate on any anniversary of the date of your purchase. That gives you five options to redeem - a real advantage if your financial plans change and you need cash.

Interest grows
Your interest increases each year at the guaranteed rates and it is paid to you every six months. Check the example in the chart. It shows what will happen to a \$1,000 GO-5 Certificate in five years at current rates.

Year	1st	2nd	3rd	4th	5th
Rates*	6 1/2%	6 3/4%	6 5/8%	7%	7 1/4%
Interest	\$62.50	\$65.00	\$67.50	\$72.50	\$77.50
Total interest to maturity	\$345.00				

*Effective from April 28, 1972 until changed.

Only Guaranty Trust has the GO-5 Certificate
GO-5 was created by Guaranty Trust and can only be bought at Guaranty Trust branches. Contact the manager of the Guaranty Trust branch nearest you and he'll tell you all about the advantages of the GO-5 Certificate.
