Summer Dates?
Single, separated, widowed or divorced and looking for the right type for dating or marriage? Try CUPID computer. It scientifically assesses and matches each individual with the best potentials who are compatible in character, ideals, philosophy and interests. Not a "Lonely Hearts" club and therefore not advisable for the very shy or those with other emotional problems. For rational, intelligent individuals of all ages, occupations, races and religions. Cupid has different programs guaranteeing regular dates and/or marriage —or money refunds. In actual computer time it takes only minutes to find dates for most individuals and costs only pennies per day. Most important Cupid Computer eliminates the costs frustrations and time required in the usual methods of meeting and dating. We have many customer references as proof of past performance. Don't spend this summer with just anyone!
