All-stars lose 15-7

SUNDERLAND - The all-star pick of the Victoria Baseball League, lost their glimmer, Sunday, when they were soundly trounced by Sunderland, 15-7, in the annual mid-season contest.

Stouffville's contribution to the all-star roster, fared better than most. Bill Hassard, Bill McNelly and Roger Todd each hit safely on two occasions. Hassard's drive in the 1st was a ringing double. Greg Turner had one hit in five turns.

On Thursday, in Stouffville, the local squad bowed to Sunderland 9-8.

And even if you're one of the few who doesn't enjoy a 'dip' on a hot day, the indoor scenery isn't too half bad either - like pretty 16 year old Pat Manley, Miss Uxbridge - 1972. While Pat isn't a permanent fixture at the Pool, on this occasion, The Tribune cameraman struck it lucky.

Youth 'involvement' to combat vandalism

MARKHAM - The Town of Markham is appealing to its residents for help in battling an outburst of vandalism described by Recreation director Bruce Holdsworth as "an epidemic".

In a letter, Councillor Keith Kennedy suggested that the vandalism might be minimized by involving young people in the various recreation projects. "I think this should have a high priority," he stated.

Mayor Tony Roman expressed general agreement, but felt other measures were needed.

Publicity, and an appeal to the public in general to be more observant about what is going on in the parks, would be of great assistance to the police," he stated.

Councillor Murray Henderson was dubious about Mr. Kennedy's proposal. He cited a day-camp on Springdale Avenue, which is being run by young people, but has been the victim of recent vandalism.

"Vandals have no respect for this," he said. Councillor Bud Bonner observed that vandalism is not restricted to parks.
