

NDP election in B.C. described as "encouraging"

YORK-SIMCOE
Organizers within the York-Simcoe Association of the New Democratic Party, have taken on new 'heart' with the N.D.P. 'sweep' in British Columbia.

This is the claim of Bryan Kettlewell, R.R.3, Stouffville, official agent for candidate Wally Gustar of Richmond Hill.

"It gives the feeling that a change is gradually coming across the land," he said.

Mr. Gustar, 32, is married, with two children. He is a licensed pilot and a qualified aircraft maintenance engineer.

Mr. Gustar's campaign manager is Roger Glazin, Fairview Ave., Stouffville; canvass manager, Eric Cameron, Aurora; sign chairman, Dan Thomas, R.R.1, Gormley and publicity, John Hunter, Newmarket.

To seek re-election

YORK-SIMCOE
John Roberts, M.P., (Liberal), will seek re-election in the Riding of York-Simcoe, at a convention planned for Aurora's G.W. Williams Secondary School, Sept. 18.

The gathering will convene at 8 p.m.

Editor's Mail

Dear Mr. Thomas:
This press release is in response to the incumbent's suggestion that we, the candidates in York-Simcoe, limit our budgets to \$25,000. The New Democratic Party should have no difficulty staying within his suggested limits.

The suggested figure is far too high. A \$25,000 budget in York-Simcoe is anti-democratic.

For democracy to exist there must exist as well political equality.

Voting every 4 or 5 years does not in itself equal democracy. Every citizen on reaching the age of majority must feel he can participate in government. To put public office out of reach for all but the wealthy, or the friends of the economic elite makes a sham of democracy.

I challenge the candidates representing the two major parties to disclose the source and amounts of all campaign funds. Disclose every cent - no qualifications. Where it came from and how it was spent.

Wally Gustar, NDP Candidate, Federal Riding, York-Simcoe.

Meet your NDP candidate

BALLANTRAE - Wally Gustar, New Democratic Party candidate, (York-Simcoe), will attend a barbecue, Saturday, Sept. 16, at the residence of Mr. and Mrs. Bryan Kettlewell, Maple Grove Farm, Hwy. 48, north of Ballantrae.

Activities get underway at 4 p.m. Admission is \$2 per family.

In case of rain, the event will be put over to Sept. 17.

P. C. picnic

ONT. CTY. - All the fun of an old-fashioned political picnic is in store for Ontario County - Oshawa residents on Sunday, Sept. 17. That's when the combined Progressive Conservative groups of the area hold their annual outdoor get-together for the 18th consecutive year.

This year's version, at Fantasyland Park on Hwy. 12 between Whitby and Brooklin, will feature races, bands, bake tables, old time fiddlers contest, Miss P.C. contest, a horseshoe tournament, free cider and corn, and an array of door prizes including a grand prize of a 1972 Moto-ski.

A special feature of the afternoon will be the opportunity to meet and chat with a number of political celebrities from both the provincial and federal arenas.

With a federal election approaching interest is expected to be high and a large crowd is expected.

Fantasyland Park has full picnic facilities including covered stands in case of rain. Tickets at \$2 a carload are available at the park gate or through Conservative Association members in all districts.

We deliver.

The rest is up to you.

Delivering a constant flow of power, dependably and safely—that's your Hydro's round-the-clock responsibility. And because electricity provides so many services so dependably, most homeowners can take it for granted.

And yet, in many homes over ten years old, the quality of service is severely restricted—simply because the wiring is outdated and inadequate. Rewiring can make a world of difference. In convenience, by providing ample outlets and switches where you want them. In performance, by bringing full power to your appliances so that they can operate at peak efficiency. In safety, by eliminating the hazards of an overburdened wiring system. Good reasons for giving top priority to your home wiring when you consider making improvements.

To find out what rewiring can do for your home, call a qualified Electrical Modernization contractor soon. Or ask your Hydro.

Airport an issue - Roberts

Thursday.

YORK-SIMCOE
The proposed new International Airport in Pickering Twp. will stand as a very real election issue in the Riding of York-Simcoe, predicts Liberal M.P., John Roberts.

Mr. Roberts was a visitor in Stouffville, Thursday.

Mr. Roberts spoke in favor of the Jamieson-announced inquiry, and disagreed with a Tribune editorial (Sept. 7), under the heading, "Airport Hearing - Too Late".

The M.P. said that in this, and other issues within the Riding, he is guided in his thinking by opinions expressed by the people. With regard to the Airport, he said, he was not convinced that the majority of Town residents (Whitechurch - Stouffville), were against it.
