

Who could refuse a ticket?

The Stouffville Minor Hockey Association had one of the most attractive booths at the Trade Fair—enhanced even further by the presence of pretty 14 year old Kim Frampton; Rupert Avenue. Kim is one of the organization's best boosters. She's also an excellent ticket-seller. —Jim Thomas

Hamlet of Vandorf

Not 'wiped out' by hydro line

VANDORF - It now appears that the feared effect of Ontario Hydro's proposed transmission line on the hamlet of Vandorf, might have been exaggerated by some members of Whitchurch - Stouffville Planning Committee at a meeting, Sept. 15, the Committee considered a Brief prepared by the Region's Area Services Branch. This document, to be submitted to the Soland Commission, concentrates almost solely on the visual impact of such a line. "The Hydro planners have done their homework," admitted Gordon Brush, of the ASB, "Their proposed route, along the east side of Highway 404, will cause no disruptive effects in the way of houses being moved." "I can't believe it," exclaimed Councillor Gordon Ratcliff, "there must be some residences disrupted." Mr. Brush's assistant, Jim Hill, admitted that the lines would pass over some houses — but only about half-a-dozen. "How far would it be back of Vandorf?" asked Mayor Laushway. Mr. Hill replied the line would be 500 feet from Don Mills Road. After further debate, members agreed to forward the Brief to the Commission.
