**"IT'S MAINLY BECAUSE OF THE MEAT"**

Dominion buys only the top grades of naturally aged, Government inspected "Quality Selected" steer beef. Dominion meat experts tour the packinghouses daily, selecting only the choice young side of beef that nature has blessed with an extra measure of quality. Finally, Dominion waits patiently until these quality meats are fully aged to ensure *natural* tenderness and *natural* flavour. No wonder more Canadians shop at Dominion than at any other store... it's mainly because of the meat!

**FREE CAR PARCEL PICK UP**

Convenience is the keyword to describe this service. Your groceries will be packed securely and you will be handed a claim tag. No cart to push... no parcels to carry... just an 'itty' bitty tag. When you're ready to go home simply get your car... drive to the Parcel Pick-Up station and a Dominion attendant will take your claim tag and load your groceries in your car.
