

Twenty-player team selected for Swiss trip Jan. 12 to 22

STOUFFVILLE - Twenty players, the entire Bantam team, will make the trip to Switzerland, Jan. 12.

The decision, finalized following a meeting of the club management and convenor, Ed Grimshaw, was revealed Nov. 7.

To include the additional four boys, an extra \$1,000 was needed. And again, Art Latcham solved the problem with a donation covering the entire amount.

The roster follows: Don Whitehead, Kevin Hamilton, Ken Hill, John Turner, Danny Wagg, Brian Hamm, Carl Davis, Doug Feasby, Bill Meakes, Don Richardson, Howie Jones, Doug Todd, Malcolm Johnston, Robbie Bryant, Lee Woolhead, Kevin Morley, Robt. Lawson, Brian Murphy, Mark Barry and Keith Acton.

A committee to head up the business operation of the Canada - Swiss visit, includes, Ed Grimshaw, chairman; Wilf Morley, secretary; Jack

Watson and Gerry Acton.

The flight, by Scandinavian Air Lines, returns Jan. 22.

The trip convenor touched on many areas of interest related to the visit, including the color and style of uniforms to be worn; the billing of players and their parents; locations of games; scenic tours; exchange of gifts, etc. He said nothing could be overlooked in planning a program that involved so many people. "Remember," he said, "we're not going to Ringwood. We're going to do it, and do it right!"

The players and accompanying fans, including York North M.P., Bill Hodgson and Mrs. Hodgson, will travel from Stouffville to Malton by bus, just to make sure everyone stays together.

Coach Jack Watson said that while more than normal team personnel would comprise the club, every boy would have an opportunity to play. Another meeting in Latcham Hall is planned for Nov. 28 at 7.30 p.m.

Adult skating night

UNIONVILLE - For a time, Adult Skating (21 and over) flourished in the area. The Unionville Arena originated it; then Markham followed, and later, Stouffville. Now, Unionville is all that's left. The rink's first such evening of the season is this Saturday, Nov. 18, from 8.30 to 10.30 p.m. Music will be supplied by the Newmarket Citizens' Band.

STOUFFVILLE - Two hundred and fifty fans saw one of the best Junior B contests of the season when Markham Seal-A-Wax played to a 3-3 draw here, Sunday night.

Local team member, Matt Leslie, has been the most improved player over the past five contests. Matt, the son of Mr. and Mrs. Jack Leslie, Main Street East, has been steady while killing penalties and has centered the line that has the best goals against record for the same period, five games.

The first period went scoreless for twelve minutes and Dave Brown opened the scoring on a short-handed goal from Wayne Ormson at 12:20. Bruce Carrigan drove one in from the point at 19:58 with both teams shorthanded. Lindsay Middlebrook was called on to stop only six shots before the period ended, but five of these were made in succession while Terry Prince

was sitting out a holding call. At 16:25 of the second period, the 'Waxers' got their first to get back into the game.

Lukewick opened the period in the third with the goal that tied the game. This goal was started on a sharp play by defenceman Gord Ulman, son of Leaf's Norm Ulman. Ulman, trapped two Raider forwards and sent his man away to get the counter.

Bruce West, who earned the first star this night, scored an unassisted goal to put Wexford - Stouffville ahead until Bob Leadbeater tied the game up for keeps, while Wayne Ormson was off for slashing. Leadbeater earned the leadership award for his side as he was tireless on offence and defence.

The shots on goal were; Markham 31, Raiders 28. The next game goes on Sunday at 7:30 with Toronto Nats here.

Kent Wideman

Rides hot streak

STOUFFVILLE - Kent Wideman is enjoying a fine season in Bantam House League competition. On Nov. 8, he fired 4 goals and assisted on one as Betz Pools drubbed Crest Hardware, 7-4. Jeff Williams was also skating well, notching two tallies and assisting on a pair. Brian Aida had one goal and 3 assists. Greg Gibson counted two for Card's. Bill Card and Jim Hopper netted singles. Dennis and Ken

Kerrigan combined for 4 goals, to lead Hunt's Sunoco to a 7-5 victory over Civitan. Glen Gibson, Bill Kingsley and Robt. Hargrave each collected one. Paul Wideman fired a 3-goal hat-trick in a losing cause. Harold Wideman potted a pair.

Mark Forrester

Stymies shooters

STOUFFVILLE - For the second straight week, Mark Forrester has stymied rival shooters with shutout performances in goal. The stand-up netminder for John Roe Ford in Novice League competition held the fort Saturday, while his mates fired 4 at the other end of the rink. David Mehaffey was a threat every time out for the automen. On one solo rush, he deked two forwards and a defenceman out of their proverbial pants. Daryl Norton was the

other marksman. Tony Leger and Charlie Wilson each fired singles as Lee Sand and Gravel downed Stouffville Credit Union, 2-1. Grant Carter was the lone goal getter for the moneymen.

Don Paisley turned in a fine two-way effort and sparked Dan Glen Construction to a 2-1 win over Merv Turner Construction. He notched one tally, as did Mike Schultz. Michael Rehill hit the target for Turner's, with Randy Kennedy picking up an assist.

John Christie

Single - 204

STOUFFVILLE - John Christie crashed the 200 mark Saturday, in the Children's Bowling League. He rolled a high single of 204. He also had another game of 128.

Pee wees blast Newcastle 10-3

STOUFFVILLE - Mark Fockler set the stage early for what was to be a bad night for visiting Newcastle. Fockler clicked on a pass from Kevin Lawson and Ron Hodgson to give the I.G.A. boys the lead. Danny Gibson came back quickly to make it 2-0 before Newcastle's Mike Danilko beat Andrew Cudlip, in the Stouffville goal.

The change in ends at the end of the first period did nothing for the visitors as Stouffville came back with three more on

goals by Al Sprague, Steve Schell and Steve Woolhead. In the third period, Danny Gibson collected the rest of the 'hat-trick' on aggressive close-in plays. Donald Romley put away Newcastle's second goal. Steve Schell got two more for his 'hat-trick' and he did it the hard way on solo rushes from deep in his end zone. Stevie Spang took a pass from Bobby Hughes at center ice and left three Newcastle defenders standing with only their dignity to get the last Stouffville goal. A penalty

coupled with a defensive lapse late in the game saw Ibbotson get the visitor's third to close out the scoring.

The shots on goal were 31 to 12 due to the strong play on defence by Schell, Kemp and Hughes.

Payne sparks Juveniles

STOUFFVILLE - Conditioning in the early part of the schedule and exhibition stints appeared to be the factor causing the poor showing by our O.M.H.A. Juveniles. This was recognized by Coach 'Ike' Hodgson and a lot of hard work is paying off.

At Uxbridge, the scoring for Stouffville was split five ways as they drew their hosts 5-5. Bill Payne, playing strong defense for the Juv's had a goal and three assists. Other scoring went to Wayne Feasby, Donnie Rennie, Allan Turner and Rick Banks.

Nets hat-trick

STOUFFVILLE - The little guy in hockey, usually comes up on the short end in most 'Head-on' encounters, but Brian Murphy and Malcolm Johnston, utilizing their skating ability and tenacious forechecking stymied a much larger Newcastle team to lead their squad to a 6-0 win, Thursday. Don Whitehead in goal for Stouffville turned the visitors away on every opportunity.

Murphy got the winning goal in the first period and the Houston Pharmacy boys never looked back. Keith Acton scored from Doug Feasby on a powerplay to kill the first period. It was Acton's first of three for the night.

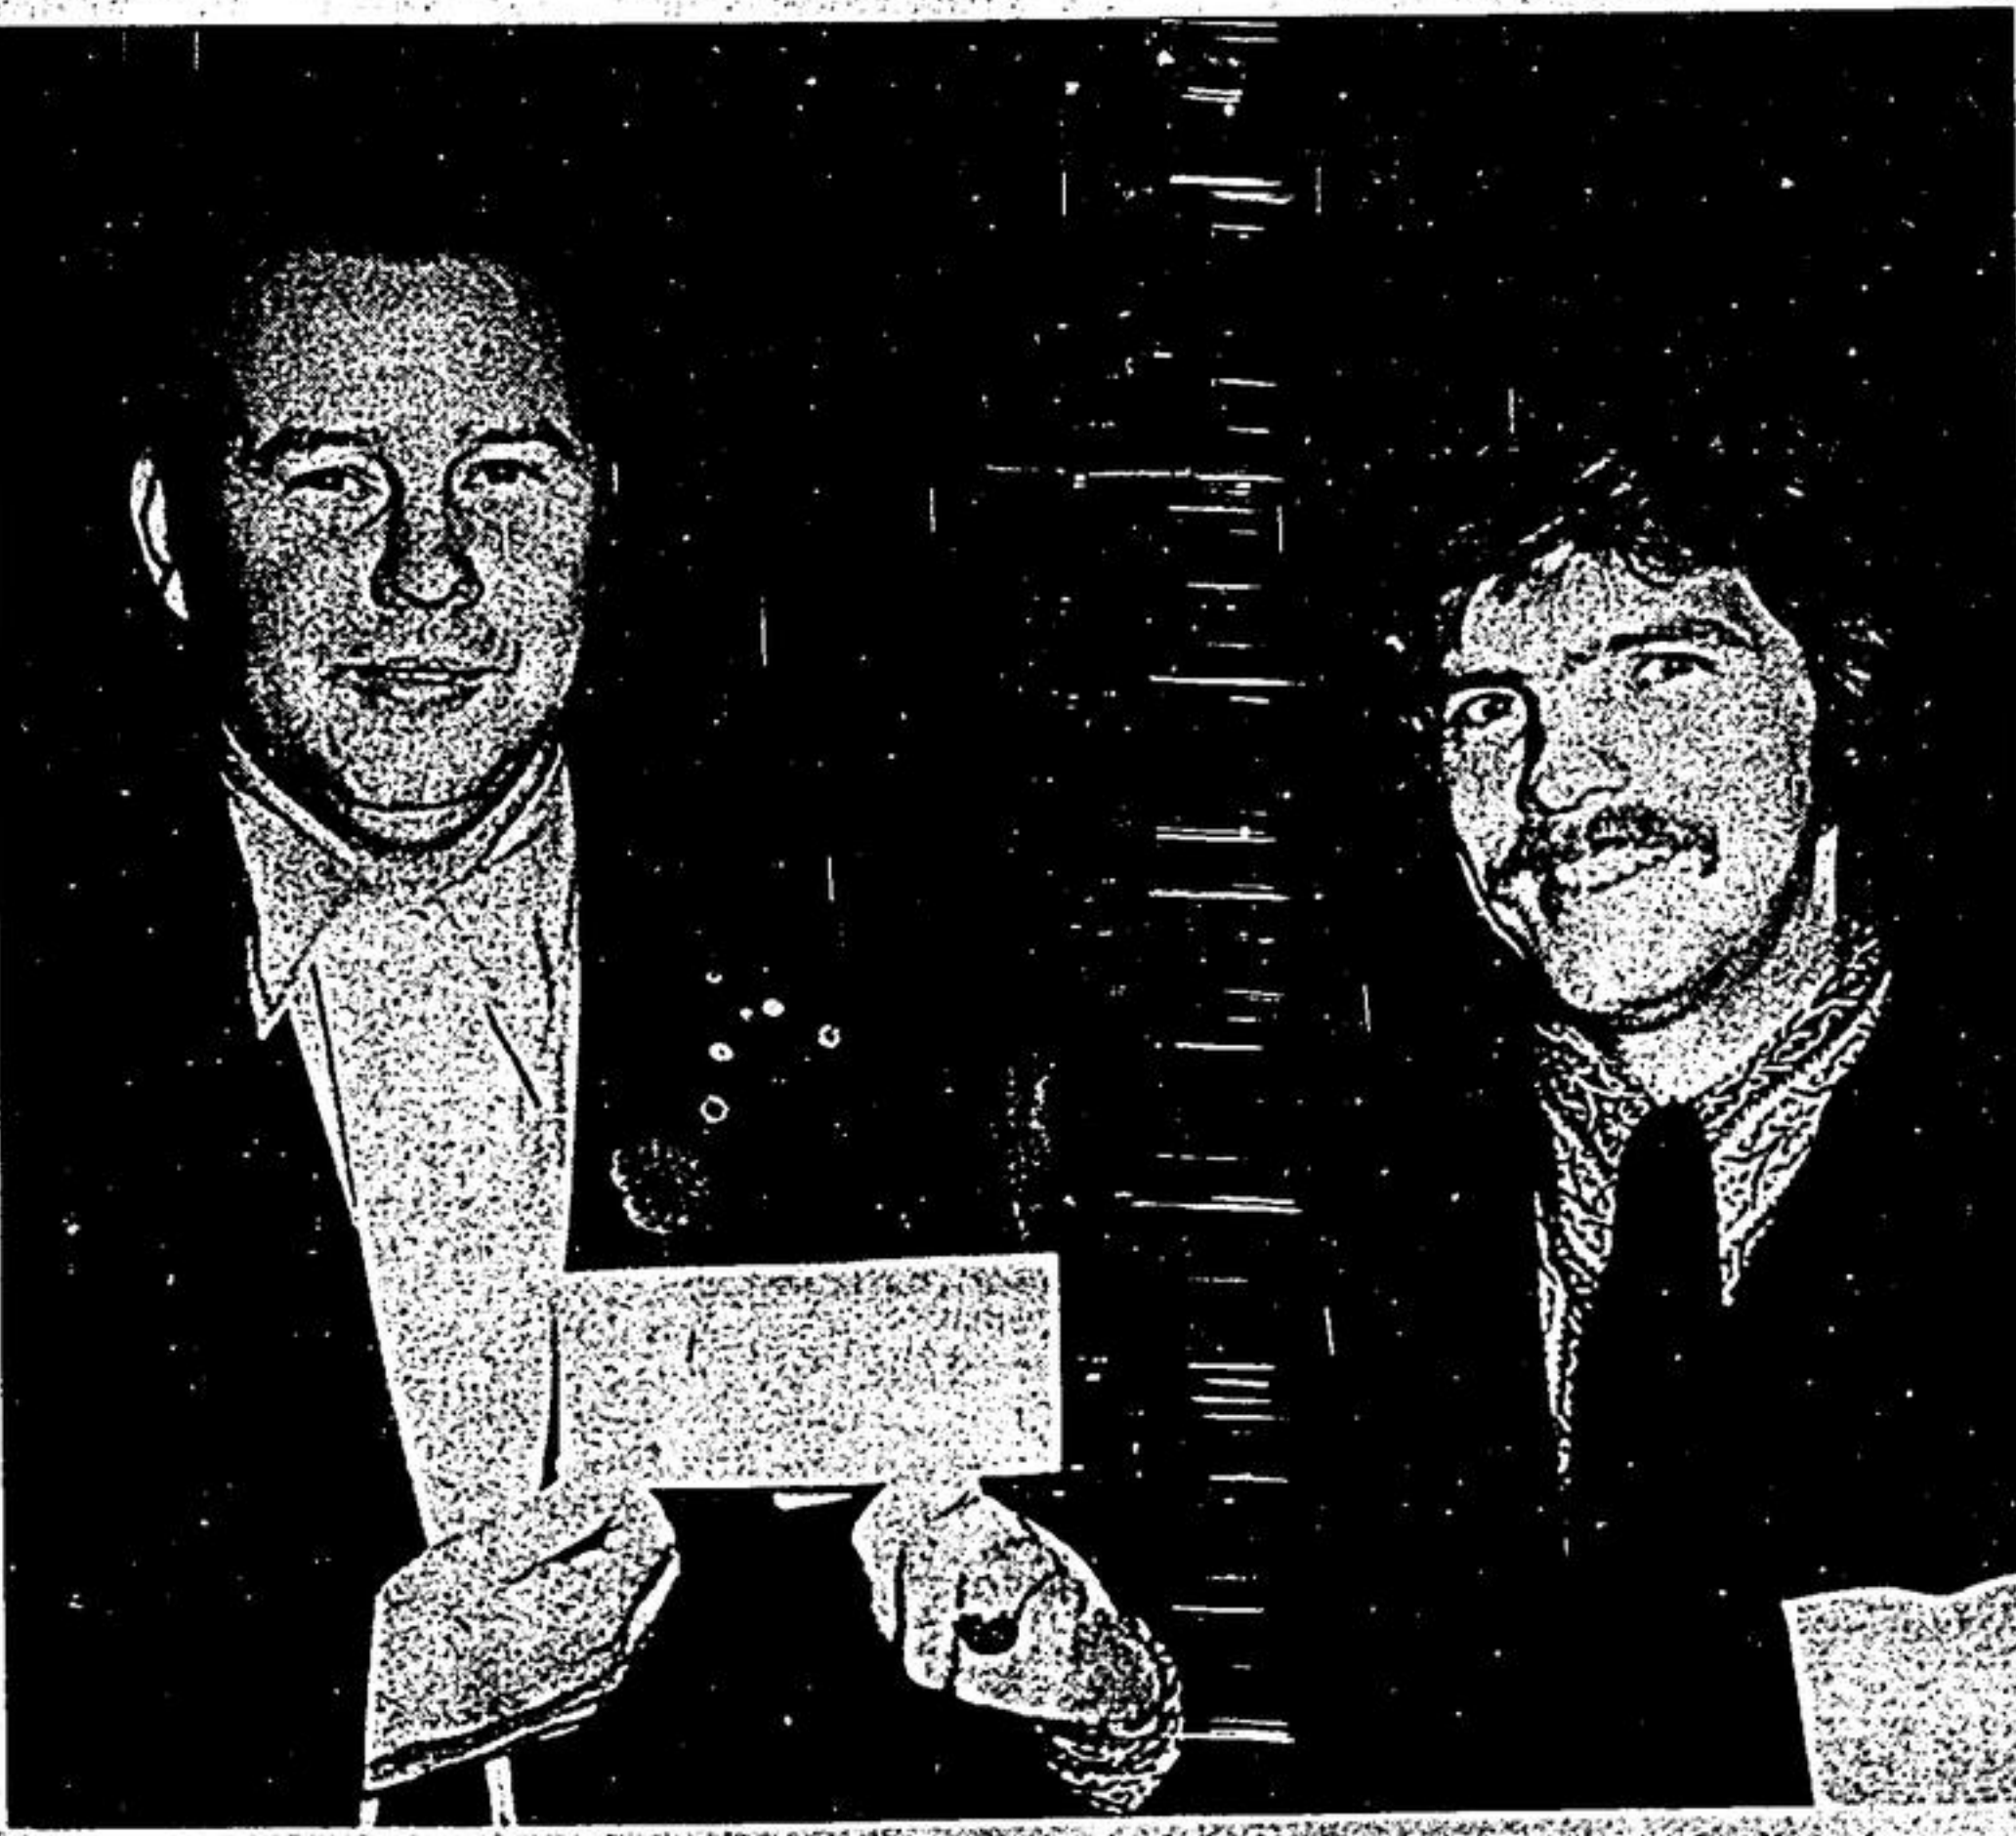

The second frame went scoreless. Whitehead had his best period with stops on ten shots. Acton opened the scoring in the third and Doug Feasby put the game well out of reach by scoring two quick goals while his team

Blair Bangay had two assists to fatten his scoring average and the other goals went to Blair Emerson and Bill Roberts.
