

DON'T

Shatter Your Family's Future

Drive Like You Care for Those Close to You This Holiday Season

Think how much you love them. Now, before you take them on the road. Remember that your dear ones look to you for safety. If YOU don't care, nobody else will. And when you get right down to it, caring makes all the difference . . .

Care for your car: Is it ready for Winter? Snow tires on? Anti-freeze in? Defroster and heater working well? Flash light and flares on hand in case of emergency? Responsible driving begins with a well-maintained automobile.

Care for your passengers: see that they're warm and comfortable. Insist that everyone use seat belts. Don't overcrowd the car. Don't be in too much of a hurry. Make it a leisurely drive with plenty of time for rest stops. Remember this is a holiday trip — not an endurance test.

Care for yourself because your car is only as safe as its driver. Don't try to drive if you're tired . . . and NEVER if you've been drinking. Don't even take the wheel if you're angry or irritable. Keep your holidays happy, and your family safe.
