

**Females take centre stage at concert**

Local musicians are taking to the stage Feb. 23 for the third annual Stars of Stouffville. This year the concert focuses on local female singer/songwriters. Established and up-and-coming artists, including Lenore Elaine, Marie-Lynn Hammond and Bonny Morgan, are performing.

The show is a fundraiser for Stouffville's fledgling radio station, WhiStleRadio, and begins at 8 p.m. Admission is \$15. The concert is at Christ Church Anglican.

**Chronic Neck or Back Pain?**

A technology exists that is helping many people suffering from herniated, bulging and slipped discs, cases with arthritis and degenerative back conditions, and cases that may be on their way to elective surgery.

Attend our free seminar "How to Resolve Back and Neck Pain with out Surgery" that will explain the new surgery free, non-invasive technology designed to treat chronic low back, neck and leg pain along with herniated and degenerative disc disease. Discover why your back treatments have failed and how a technology relatively new to Canada may provide a solution.

If you are wondering if this technology could help you then attend our free seminar on Sat Jan. 12th at 11:00 am at the Howard Johnson's Hotel in Markham, 555 Cochrane Drive: (close to the 404 & Hw. #7). Seats are limited, register today, call 1-888-271-8605.
