

ANATOMY OF A CRASH

STAFF PHOTOS/BILL ROBERTS

A pick-up truck straddles a guard rail at Bloomington Road and Woodbine Avenue after a collision with a dump truck in heavy fog Monday afternoon. The dump truck went over south Bloomington guard rails. Both drivers escaped serious injury.

A tire from the pick-up (in background) is left standing on Bloomington Road.

Whitchurch-Stouffville firefighters check out the dump truck in the ditch. The intersection was closed through the evening rush hour because a traffic light pole was damaged.

TIRED OF GUESSING HOW MUCH TO PAY FOR **PARKING?**

Thanks to your suggestions, the way you pay for parking at Markham Stouffville Hospital is changing (but unfortunately, you will still have to pay). We are upgrading our system so that it meets your needs and is consistent with industry standards.

Our new system will be implemented **JANUARY 28, 2008** and is designed to take the guess work out of paying for parking.

OPTION 1: REGULAR PAYMENT

Simply obtain a ticket upon entry and keep it with you during your visit. Prior to returning to your vehicle, make your payment at one of our conveniently located Payment Stations. Our new machines accept bills, coins and credit cards.

OPTION 2: EXPRESS PAYMENT

Just insert your credit card at the point of entry and once again upon leaving.

Hospitals are required to use parking as a revenue source to supplement government funding. All parking proceeds are directed to provide our community with the care it needs.
