Spirit hopes for weekend rebound

The Stouffville Spirit were scheduled to play host to the Huntsville Muskoka Otters at 7:30 p.m. Thursday.

Unfortunately, for Spirit fans, their team didn't begin to play until late in the Provincial Junior A Hockey League game.

That did not bode well for the Spirit as their six-game winning streak was snapped after the Otters skated off with a 6-2 victory.

Dustin Laren and Corey Trivino scored once for the Spirit, who trailed 1-0 after one period and 5-0 through two and by as much as 6-0 in the third period.

The victory by the North Conference-leading Otters was their fourth in five head-to-head meetings this season against the Spirit. It was also their third in as many outings played at the Stouffville Arena.

"We woke up too late. We gave (the Otters) too much momentum at the start of the game and they capitalized on what chances they had," veteran Spirit defenceman Daniel Spivak said. "We weren't connecting with our passes and we weren't playing our game. We went through the motions. If it wasn't for Trevor (O'Neill, Spirit goalkeeper), it could easily have been 6-0 after the first period.

"If we had come out properly prepared for three periods instead of just one and a half, it would have been a different outcome. That's why they are in first place."

Spivak remained confident the loss should serve the Spirit well as they were to face the Couchiching Terriers yesterday and Seguin Bruins today at 7:30 p.m., Both games are on the road.

The loss dropped the Spirit's fifthplace mark to 24-12-3. The Otters improved its record to 35-7-0.

The Otters outshot the Spirit 37-25.
