## Commissioner, Community & Fire Services

Located just north of Toronto, The Town of Markham is recognized as a leading, innovative and fast-growth municipality within the GTA. As one of the most culturally diverse communities in the country, Markham is home to over 280,000 people who live, work and play in its outstanding array of residential housing developments, leading-edge businesses, quality schools, parks and recreation facilities. Boasting the best blend of 'big' and 'small' community, Markham is moving forward to achieve a number of key strategic priorities, and is seeking an experienced leader to join its dynamic senior team as Commissioner, Community and Fire Services.

Accountable to Council and the CAO, the Commissioner, Community and Fire Services will assume a critical role as a member of the senior team in advancing Council's strategic priorities in the areas of growth management; transportation/transit; the environment; municipal services; parks, recreation, culture and library master plan/public safety; and diversity. Responsible for a broad, diverse portfolio that is primarily focused on service delivery to residents and businesses, the Commissioner will provide strategic leadership and clear vision and direction to the Commission and its approximately 1,300 full- and part-time staff as they embark on a number of critical and high-profile projects. The Commissioner will play a vital role in championing a service delivery model and quality initiative that will support

the objectives of high service level standards and value for tax dollar. The portfolio includes Recreation, Operations, Asset Management and Library, among other departments.

As the ideal candidate, you are a senior leader in either the public or private sector, with proven leadership, management and strategic skills. You are a strong communicator and 'people person' with excellent business acumen, and a proven track record in inspiring large teams of people to achieve excellence.
