Jordan won basketball event

In the Feb. 14 edition, an omission was made in the Knights of Columbus district free throw results.

Jordan Mangos of Glad Park Public School won the 9-year-old boys' division. Jordan and Angela Panacci, the 9 years old girls' champ from St. Mark, advance to the regionals March 1.

Bowl for Kids at night

Do you enjoy renting shoes and raising money for needy children?

There's time to register for this year's Bowl for Kids Sake, a series of 10 events throughout the region hosted by Big Brothers Big Sisters of York.

The local event goes Feb. 29 from 5 to 8 p.m. at the Stouffville Bowling Centre.

This is the largest event of the year for the organization to raise funds to match children with screened vol-

unteers, she added.

More options for the participants, such as allowing pledged volunteers to incorporate video gaming technology into their effort, get new people involved, which is one of the largest challenges the organization faces while putting on events.

For pledges, you can register online, set up an online donation page or request a kit from the office.

To register or for more information, visit bowlforkidsyork.kintera.org or call 905-895-0289.

Museum's steam engine on the move again

BY HANNELORE VOLPE
Staff Writer

Catch that training going by? A steam engine that was used in a lumber mill in east Toronto until the 1940s was moved from its storage facility at new Bethesda Park yesterday.

It was moved to an interim location, awaiting the day it will be on display at the Whitchurch-Stouffville Museum.

The Wheelock steam engine was manufactured in 1888.

It was acquired by the museum in April 2005 from the Ontario Science Centre where it had been on display since 1982.

Just to get an idea of its size, the fly-

wheel is 10 feet in diameter and weighs more than 4,000 pounds.

Once it is at the museum in Vandorf, it will be used to illustrate the town's timber history and industrial heritage.

There were at least seven sawmills powered by such steam engines in the former Whitchurch Township.

Whitchurch-Stouffville companies helped out.

Schell Lumber and Anderson Haulage assisted with the move.

Barry's Welding is helping with storage of engine accessories.

For more information on the museum, go to townofws.com/museum.asp

Diversicare Canada Management Services Co. Inc. is pleased to announce....

Diversicare Canada Management Services Co. Inc. is pleased to announce that Diane Bray has joined our team as the Sales & Marketing Coordinator for Stouffville Creek Retirement Residence. Prior to joining Diversicare, Diane has had an outstanding career working with the Markham Board of Trade, Ontario Lottery Corporation and Bell Canada. Welcome to our team Diane.

Stouffville Creek Retirement Residence is located on Freel Lane in the beautiful historic downtown of Stouffville. Although not slated to open until October 2008, Diane would be pleased to meet with you and show you the different styles of accommodations, services and amenities that will be offered. Ask Diane how you can become a "Gold Club" member and take advantage of the special "early bird" incentive promotion.

Diane looks forward to meeting you personally, and invites you to drop by for a coffee and a chat to see what Stouffville Creek Retirement Residence is all about.
