

### Rugby players waiters for the night

If you go to Stouffville's Boston Pizza for dinner Monday, chances are your server is a rugby player.

Members of the Stouffville District Secondary School Spartans boys rugby team will serve food and drinks to raise money for their March Break trip to the

United Kingdom.

Ten per cent of sales from the night are going to help the team.

The Spartans will also auction an autographed Toronto Maple Leafs jersey.

For more information, call the school at 905-640-1433.

## Know a champion of newcomers?

Do you know a Whitchurch-Stouffville resident who is working to promote understanding among different cultures?

If you do, you have a

chance to nominate them for the Newcomer Champion Awards, a program of the Ontario Ministry of Citizenship and Immigration.

Deadline for entering nominations is March 14.

The award was established last year to recognize individuals or groups who are promoting cultural diversity.

They could be people who have started programs to help settle or connect newcomers in their new communities, who are

engaged in outreach efforts to promote cross-cultural understanding or have initiated events celebrating cultural diversity, among other initiatives.

Any Ontario resident can submit a nomination.

The forms and more information are available on the Ministry of Citizenship and Immigration website at citizenship.gov.on.ca
