

You can sign up for Relay for Life

To prepare for a 12-hour event that combines entertainment, camaraderie, maybe a few tears and a chance to raise money for a good cause, come to the Stouffville Relay for Life kickoff Monday.

The launch of the second annual cancer fundraiser is from 7:30 to 9:30 p.m. at the Willow Springs Winery.

It's a chance to get reacquainted with old teammates, volunteers and the cancer survivors from last year's

event and meet residents who are joining the event for the first time.

Last year, more than 500 people participated, including team members, volunteers, cancer survivors and those who bought luminary candles.

500 PEOPLE RAISED \$80,000

More than \$80,000 was raised for Canadian Cancer Society research and support programs at the inaugural relay, spearheaded by Stouffville resident Terry Neprily.

The kickoff evening includes entertainment, food and a chance to sign up and have your questions about the event answered.

Each person participating on a team has to raise a minimum of \$100. The events takes place June 13 and 14.

Willow Springs Winery is at 5572 Bethesda Rd., west of Ninth Line.
