

SEATBELTS, AIRBAGS TO THE RESCUE

There were no serious injuries from a two-vehicle collision Monday at Bloomington Road and Hwy. 48. A minivan collided with a small car around 5 p.m. The passenger and drivers escaped with minor injuries, according to Whitchurch-Stouffville fire and emergency services captain Tom Brillinger. "It was just some property damage to the vehicles, but no one was transported to hospital," he said. He credited seatbelts and airbags for protecting the victims.
