## Maintenance Technician

You are looking to apply your broad base of mechanical skills and aptitude towards ensuring that our facility and equipment operate at optimal efficiency and safety. In addition to performing preventative procedures, you will contribute to the resolution of system and equipment breakdowns and general maintenance tasks such as troubleshooting and equipment modification. Your attention to detail is critical in the completion of documentation related to preventative maintenance, repairs, safety, inventory and process/procedures. You are a secondary school graduate who may be working towards a qualified certificate or trade license with similar experience. You possess strong initiative, flexibility and problem solving skills, combined with a willingness to work on a rotating shift schedule.

## Production Technician

We are seeking people with initiative and an attention to detail who will contribute to the production of active pharmaceutical ingredients and intermediates in our manufacturing areas with a comprehensive on the job training program. You will set-up, operate and clean equipment in compliance with current Good Manufacturing Practices (cGMP) and safety procedures. You are a secondary school graduate or equivalent who can work in a physically intensive environment with chemicals and under a rotating shift schedule.

If you are interested in contributing to our success, please submit your résumé (quoting the position of interest) to:  
**Human Resources, Torcan, 110 Industrial Parkway North, Aurora, Ontario L4G 3H4. Fax: (905) 727-7545. E-mail: resumes@torcan.com · www.torcan.com**

Thank you for your interest in our company. We regret to advise you that we will only be able to contact candidates selected for an interview.
