- Vandorf Community Centre 905-727-1165

NOTICE TO PRIVATE WELL USERS

Recent weather conditions have caused flooding in some areas. The Regional Municipality of York Public Health branch encourages residents who receive their water from a private well to take precautions during and after a flood.

During a flood, water leaves its natural course and washes over the countryside, possibly coming in contact with contaminants from farmyards, refuse heaps and other sources. If your well has been flooded or lost pressure, it is recommended that you have your water tested. Contaminated water can make people sick and should be assumed to be unsafe for consumption or use. For information on water testing, go to the York Region website at www.york.ca or call 1-800-361-5653. Residents who receive their water from a municipal source do not need to test their water as it is routinely tested by the Region and the Town.

NOTICE

SPRING CLEAN-UP TIME IS HERE!

The build up of sand and litter following this long winter season requires the clean-up of public roads, sidewalks, walkways, traffic islands and boulevards. The Town will commence these activities starting in mid-April.

All citizens are encouraged to participate by sweeping and cleaning the areas in and around their properties. Help make a difference, your assistance is appreciated.

NEW SUBDIVISIONS

Residents are advised that the clean-up of streets in new subdivisions will be scheduled and co-ordinated by the developer.

COMMUNITY NOTICES

COMMUNITY ALERT PROGRAM

York Regional Police is taking another step forward to ensure our community is among the safest in Canada by implementing a new public notification system called Community Alert. This system will allow York Regional Police to notify residents and businesses by telephone and email about community safety matters in their area. This could include a rash of break and enters, vehicle thefts or a missing child. The system will also be used to alert citizens in the event of an emergency.

York Regional Police is currently collecting information from members of the community interested in participating in this new and innovative program. If you are interested, please sign up today at www.yrp.ca

The information provided will be kept confidential and will not be released for any third-party use. Thank you for your assistance and ongoing support of your community and of York Regional Police.

LIBRARY GIANT BOOK SALE

The staff, management, and board of the Whitchurch-Stouffville Public Library would like to thank everyone who helped with the 2008 book sale - donors, volunteers, and purchasers!

Thanks for another successful event!

MAIN STREET IMPROVEMENT PROJECT CONSTRUCTION CONTINUES IN 2008
