Recycle Your Plastic Bags!

You can *Take-Back* your Plastic Bags for Recycling!

York Region is promoting the Plastic Bag *Take-Back* Program in partnership with local retailers and the Canadian Plastics Industry Association.

Did you know you can recycle plastic shopping bags
at your local participating retail stores?

It's easy!

Just turn your plastic shopping bags inside out, stuff them into one bag and drop them off at a *Take-Back* receptacle found at a participating store near you.

Recycling your plastic bags will keep them from landfill.

Each bag recycled can
