Fireworks like these are scheduled to go off in Vandorf Park Monday night. Admission is free.

Fireworks a weekend tradition

BY JIM MASON
Staff Writer

It's a Canadian holiday tradition in Vandorf. Fireworks are lighting up the sky over northwestern Whitchurch-Stouffville Monday to mark the Victoria Day holiday.

They will be accompanied by music from Whitchurch-Stouffville's own Most Excellent Productions.

The music starts around 8 p.m. and the first of the fireworks at dusk, at approximately 9:25 p.m., at Vandorf Park.

Admission is free. The town sponsors the event.

The park is on Woodbine Avenue between Bloomington and Aurora roads.

Bring lawn chairs and blankets.

An ice cream truck will be on site.

"There is a great play structure in the park that children can enjoy and it can accommodate a lot of kids," town spokesperson Nicole Ongman said.

"There were quite a lot last year playing together while waiting for the show. Frisbees and such are also a great way to pass the time in the park while waiting for the show."

There is ample parking in park lot, at the museum next door and across Woodbine Avenue at the Vandorf hall. You can also park along Woodbine.

You can bring sparklers, but any other fireworks are not allowed in the park. The show is set up on the baseball diamond and you can watch from the park over the trees.

The bridges will be blocked for safety reasons, so you cannot go onto the base ball field.

In case of inclement weather, check to see if the show is cancelled by calling 905-640-1910 ext. 323.

York Region Service Canada Centre for Youth will have a booth at the event.

The centre promotes youth employment by providing services for students and employers.

Centre staffers are distributing information about government programs available to youth and its Odd Job Squad.

For more information, call 905-773-7479.
