June is Recreation and Parks Month

"Live it Everyday" - an important message to support healthy, active living. Recreation doesn't have to be an "extra" added to the day, it should be part of it.

Benefits of active living include: enhanced quality of life, skills development, positive self image, building healthy families and communities through positive lifestyles, therapeutic effects, and a great way for all to integrate into the community.

Our community has so much to offer to help everyone to "Get Out and Get Active". A number of parks and trails and a beautiful reservoir can be enjoyed by all. This year offers the added enjoyment of "splash pads" and "sport courts" in some Town Neighbourhood parks.

A JUNE calendar of events can be found at www.townofws.com. Back this year is the Scavenger Hunt, a fun way to get out with family and friends to take a leisurely stroll through downtown Stouffville. Forms can be downloaded from the Town website, or picked up from the Lebovic Leisure Centre. Completed scavenger hunt forms will be eligible for great prizes, sponsored by Pepsi.
