MARKHAM

A career with the Town of Markham offers the chance to make a difference by providing the highest quality customer service to our growing community. With us, you will enjoy being part of a multi-cultural workforce with a dynamic culture and a desire to be the best.

Emergency Preparedness Coordinator

You will support the creation and implementation of our Town's emergency preparedness program including the coordination of multiple activities to ensure the efficient and timely roll out of various aspects of the program. An effective relationship builder and organizer, you will ensure procedure manuals and plans are reviewed and updated and develop an increasing public awareness of emergency preparedness management through various presentations and training programs.

You have completed post-secondary studies in municipal emergency preparedness management or a related field, general knowledge of the municipal, regional, and provincial governments, and familiarity of relevant legislation and standards. A dynamic presenter with superior project management skills, you are self-motivated and willing to attend courses and conferences or professional development seminars. Additionally, you have established computer skills utilizing MS Office presentation, and scheduling software, a valid Class G driver's licence, and the ability to be flexible in your work hours. **Salary range: \$61,902 - \$70,349 per annum.**

For more information on this opportunity, please visit our website. We welcome interested candidates to apply online at www.markham.ca by June 6, 2008

No phone calls, please. We are an equal opportunity employer and our employees reflect the diversity of our community.

FINANCIAL PLANNER (North East GTA Area)

This is an outstanding opportunity for a high integrity professional who is passionate about financial planning, enjoys serving clients, likes to work in a team environment and has entrepreneurial aspirations.

We are an established & successful Financial Planning Firm who has built a solid reputation as wealth & risk management professionals. Our new business is generated solely from referral. Our clients receive detailed and complete financial plans. They trust our integrity and experience in business, estate and tax analysis and they value our quality financial products (wealth management, mutual funds, GICs, insurance and others).

Your initial role will be to ensure continued quality of service to existing clients (yours & ours) as well as you developing new business (we will provide some qualified referrals). This role could evolve to ownership. Compensation is salary/draw & commissions.

As an entrepreneur who is a committed team player, you will have proven leadership & management abilities, a university degree, CFP designation, mutual fund and insurance licensed, 3-5 years + experience and you enjoy building warm relationships with clients.
