Motus O teaching dance at Banff Centre

BY ALYSHIA HIGGINS

A Stouffville dance theatre is taking the lead.

Motus O has been hired to help run the Leading for Results program at The Banff Centre in Alberta from Sept. 21 to 26.

The five-day workshop brings together the three co-founders of the company and Diana Theo-

dores and John Baldoni, two internationally recognized coaches, speakers and leadership consultants.

The workshop focuses on improving organization and get companies to think outside the box.

The prestigious Banff Centre teaches the development and pro-

motion of creative work in the arts, sciences, business, and environment.

Motus O teachers will be "using movements to help get people thinking in new ways", said Chris Madsen, director of communications for the dance theatre,

"(The workshops) help people figure out new ways to learn

things," he added.

The dance theatre was started in 1990 and has since been performing for audiences all over the world, entertaining 25,000 each year.
