The career you've always dreamed of is closer than you think.

Experience it. Only at Southlake.

At Southlake, we've created something special... A big city hospital that hasn't lost its community heart. A place where teamwork rules and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us at Southlake.

Experience the perfect balance.

Enjoy a better work/life balance by cutting your commute. Working where you live allows you to forget about the traffic and spend more time with your family. And, Southlake Regional Health Centre is a great organization to join, as it leads the charge, with some of the newest, most modern healthcare facilities in the province. Our team shares a common goal—to deliver *shockingly excellent service* every day, in everything we do. With the opening of the Regional Cancer Centre in 2009, Southlake will offer a total of five regional programs, serving over one million Ontarians.

Experience an advanced approach

Southlake nurses use an interdisciplinary approach, providing patient and family-centered care. Our fully modernized **Emergency** department receives over 67,000 visits per year, features a Fast Track service, and is supported by 24-hour specialist consultation, including surgery, medicine, paediatrics, anesthesia, and mental health. Our **CCU and Cardiology** units perform groundbreaking procedures and take part in a successful clinical trials program. Nurses participate in weekly multidisciplinary rounds and cardiac care education sessions. With 14 private patient rooms, our **ICU** is only steps away from our emergency and operating room departments, and is supported by a dedicated medical director. Our nurses have the opportunity to enhance their professional skills and obtain their critical care certificate at an approved college while on the job.

Experience true job satisfaction

Some of the world's greatest people work at Southlake, so we make it our mission to invest in them personally and professionally, intellectually, and emotionally. We have worked hard to create a culture that attracts passion, inspires teamwork, and rewards excellence. Perhaps that explains why our staff and physician satisfaction scores are among the highest (by far) in the healthcare industry.

Experience the career you've always wanted

We are always looking for highly motivated, caring nurses. At Southlake, we welcome people who are relentless in their quest to deliver great care, people who push the envelope and embrace new opportunities, people who honour their commitments. Join us and be part of our vision for healthcare. Send your resume to: **Southlake Regional Health Centre, Human Resources Department, 596 Davis Drive, Newmarket, ON L3Y 2P9. Fax: 905-853-2218. E-mail (Word format): careers@southlakeregional.org**
