

Building Great Homes & Good Health

"We invest in our education, our retirement and our homes. Why not invest in the most important thing in life – our health? We are proud to support Markham Stouffville Hospital and its exemplary standard and service in the field of health care, and to play a role in the positive growth and development in the communities of Markham and Stouffville."

Hospital**

H&R/Linvest Developments' gift will help fund Markham Stouffville Hospital's imperative expansion.

Plans include adding buildings and expanding current structures, adding more beds, more equipment and more wellness clinics to reduce wait times and provide every member of our community with access to excellent health care.
