

# Mites storm back for second fastball tourney title of season

The Stouffville Storm mites utilized timely hitting, good defence, strong pitching and great base running to capture Saturday's invitational rep fastball tourney in Cobourg with a 6-5 win over Port Perry in the title game.

Trailing 5-2 through three innings, the Storm began to mount their comeback in the fifth inning when batter Sean O'Neill drew a

bases loaded walk to cut the deficit to 5-3.

After outfielder Daniel Wynn made a great catch, Stouffville carried that momentum into the bottom of the seventh inning when Kevin Matthews opened with an infield single and scored on a triple by Jackson Savery to make it 5-4.

The Storm then tied the game on a run-scoring single by Ben Welsh.

He scored the game-winning run on a passed ball.

Matthews was the winning pitcher after striking out 19 batters and scattering six hits.

The Storm reached the final after winning their first game over Campbellford 8-3.

Matthews picked up the win after striking out seven batters and surrendering just two infield

singles. Igniting the offence were Savery, Jake Stevens, Ryan Dunlop and Maverick Dent. Dunlop and Dominik Hykel turned in excellent defensive plays.

Matthews and Dent combined for nine strikeouts while giving up six hits as the Storm downed Napanee 10-4 to gain a berth in the final.

The Storm exploded for six runs in the fourth inning highlighted by

a Ben Welsh triple, a towering home run by Tyler Simcoe and a delayed steal of home by Josh Eizenga.

Brody Krabi made a great throw and Cole Gunathunge played a solid game defensively for the Storm. Welsh had a single and double to go along with his triple. Matthews added two singles.

The tourney title for the Storm was their second this season.

## TOMORROW'S GIFT

Whether it's a bequest, a gift of life insurance or a charitable annuity, you can plan to ensure continuing support for arthritis research. Nearly four million Canadians who have arthritis are counting on you.

For more information about our planned giving program, contact The Arthritis Society.
