Thank you for your reply; only applicants selected for interviews will be contacted.

We are currently recruiting for the following 3- to 6-month contract positions (with the opportunity of becoming full-time):

### Electricians

Candidates must have an Ontario Maintenance/Industrial Electricians licence, and approximately 4 years of related experience in control panel and PLC wiring as well as motor and high-voltage connections.

### Welders

Candidates must be CWB-certified.

### Vertical Boring Mill Operators

Candidates must have approximately 5 years of experience in vertical boring, including working on large components of over 100" in diameter. The ability to read blueprints is required. CNC experience would be an asset.

### CNC General Machinists

Candidates must have Fanuc, Siemens and Heidenhain control experience, a general machining background, as well as a history in using the following equipment: engine lathes, milling machines and drill presses. Experience with 4- and 5-axis milling centres is an asset.

### Assembly Technicians

Responsibilities will include the installation, testing and maintenance of hydraulic systems. Candidates must have experience with heavy hydraulics systems and mechanical assembly.

### Assembly Assistants

Responsibilities will include assisting Assembly Technicians as instructed, as well as performing house keeping duties. Candidates must have basic mechanical and hydraulic knowledge and some experience.

### Material Handlers

Responsibilities will include operating industrial power equipment as authorized, and providing general plant maintenance. Candidates must be able to bend, kneel, climb and lift up to 50 lb., as required.

### Industrial Painters

Candidates must have industrial painting experience.
