Spirit blueliner a world champ

Thomas Kokelj, under-20 team best in ball hockey

BY MIKE HAYAKAWA
Staff Writer

Thomas Kokelj didn't conclude his 2007-08 season with the Stouffville Spirit on a positive note.

The Provincial Jr. A Hockey League club lost in the North Conference final to the Aurora Tigers for the second straight season.

But the veteran Spirit defence-

man finished his ball hockey season in far more memorable fashion Sunday.

Playing on the blue line for Canada's under-20 team, Kokelj played an integral role in helping his club win the world championship with a 4-1 win over Slovakia in the gold medal game at St. John's, Nfld.

"It was truly amazing, a once-in-a-lifetime feeling," Kokelj said.

While Kokelj did not score any goals in the gold medal match, he felt the key to his club's success against Slovakia stemmed from their ability to maintain their composure.

"We didn't lose our heads," he said. "The Slovaks were diving almost any chance they had whenever they got hit. I've never seen anything like it."

The event was as advertised.

"The competition was good. Especially the European teams. I heard they were good and they were," he said.

His ball hockey season is over along with his career with the Spirit. Kokelj intends to enrol later this fall at the University of Ottawa.
