**Swiss Herbal Vegapure**

60 caps

Swiss Vegapure is the latest innovation in sterol/phytosterols, a potent weapon in lowering blood levels of total and LDL cholesterol. The sterols in Vegapure are naturally sourced, primarily from soybean oil and esterified for enhanced delivery and digestibility. Vegapure makes an ideal first choice for cholesterol management and a safe, natural add on to prescription cholesterol reducers such as statins and fibrates.
