MORE THAN HOME IMPROVEMENT, SERVICE IMPROVEMENT

Prices may vary after Monday, August 4, 2008 if there are market variations. See store for details regarding product warranties. We reserve the right to limit quantities. Lowe's is committed to accurate pricing and reserves the right to correct errors. Correction notices for errors in the advertisement will be posted in our stores. We guarantee our everyday competitive prices. If you find a lower everyday or advertised price on an identical stock item at any local retail competitor that has the item in stock, we'll beat their price by 10% when you buy from us. Just bring us the competitor's current ad or other confirmation of the price that you have found. Lowe's reserves the right to verify the lower price prior to sale. Cash/charge card and carry purchases only. Competitor's closeout, special order, discontinued, clearance, liquidation and damaged items are excluded from this offer. On percent off sales, we will match the competitor's percent off offer. Limited to reasonable quantities for homeowner and one-house order quantities for cash and carry contractors. Current in-store price, if lower, overrides Lowe's advertised price. Price guarantee honored at all Lowe's retail locations. Labour charges for product installation are excluded from our price guarantee offer in our stores with an Installed Sales Program. Visit store for complete details. All installation services are guaranteed by Lowe's warranty. See Installed Sales contract for details. ©2008 by Lowe's®. All rights reserved. You may need permit for fire

Planning on having a summer bonfire in Whitchurch-Stouffville and don't have a fire permit?
 You may not need one.
 Recreational fires less than 2.76 feet in diameter and height do not require a permit, as long as they are contained.
 Only clean wood can be burned and all fires must be supervised or extinguished.
 Fires are not permitted when a burning ban has been implemented, when winds are high or frequently changing direction or in any construction site, including new subdivisions.
 Outdoor fireplaces must be equipped with screens on the flue and fuel loading area and be installed on a non-combustible surface.

For more information, go to townofws.com/fire_burning/asp or call 905-640-9595.

Get your motor running for 35th museum car show

Car lovers, get ready.
 The Whitchurch-Stouffville Museum's 35th annual Antique and Classic Car Show takes place Aug. 10 and organizers say there's going to be more than enough cars to go around.
 More than 350 vehicles is the norm for the show.
 The event takes place on the museum grounds at 14732 Woodbine Ave. in Vondorf.
 Besides the eye candy, several of the historic buildings on site will be open for viewing, as well as live entertainment and children's activities.
 Food will be available in a tea room and from the barbecue.
 The show runs from 11 a.m. until 4 p.m. Admission is \$5 per person or \$12 for a family of four. Children under seven are free.

For more information, call 905-727-8954 or 1-888-290-0337.

Organizations invited to showcase

Does your group want to promote itself to the community?
 The Inside Whitchurch-Stouffville Information Fair takes place Aug. 21 and organizers need community-based, non-profit organizations to participate.
 The event runs from 7 to 10 p.m. at the clock tower in downtown Stouffville.
 The event is being run in conjunction with Moonlight Madness, an annual shopping event hosted by the Business Improvement Area.
 Lighting and seating are provided.

For more details on the information fair or to register, call Gioia Garro at 905-640-1900 or e-mail gioia.garro@townofws.com For more on Moonlight Madness, call the BIA at 905-640-0749 or go to stouffvillebia.ca
