Focus on Business

Get Inspired at The Queensbridge Mill!

Visit 7,000 square feet of home furnishings and accents designed around the colour palettes of The Paint Cafe-their signature paint line.

The Queensbridge Mill has over 50 colours painted on the walls. Nothing transforms a room more dramatically but least expensively than changing the colours of your walls. That's why it is called MAGIC IN A CAN. Add new accents such as pillows and throws in your new colour and suddenly your room is renewed.

Karen and Linda Chadwick, owners, are pleased to introduce their new ABC's of decorating based on their commitment to affordable, beautiful furniture with a choice of style. They have designed 3 rooms around their "best selling" colour palettes from the Paint Cafe featuring MADE IN CANADA "quick ship" sofas starting at **\$899.00**.

Each sofa has a matching loveseat and chair at a promotional price which can all be delivered within 2 weeks of ordering. The Queensbridge Mill offers a full design service with in-home consultation and has been widely recognized as an outstanding design centre offering exceptional quality at a competitive price.

It hosts a wide range of seminars on design, entertaining and cooking. The fall program includes:
